Somebody's Tomorrow

Patience Strong

Is anyone the happier for meeting you today? Has anyone been prayed for just because he came your way? Has anyone been helped because you stopped to lend a hand — spared a little time to listen, tried to understand?

Has anyone been made to feel that God was somewhere near? Has someone somewhere been relieved of worry and of fear? Has someone rediscovered faith in what is good and true — seen another side of life, another point of view? If the answer's Yes, then you have earned yours night's repose. If No, your day was wasted, spent in vain — and at it's close — there can be no satisfaction; not unless you say — that somebody's tomorrow will be better than today.

*I liked this
sermon that
Dr. Mark*

Because he hath set his love upon me, therefore will I deliver him; I will set him on high, because he hath known my name.

He shall call upon me, and I will answer him; I will be with him in trouble; I will deliver him, and honour him.

With long life will I satisfy him and shew him my salvation.

Psalm 91:14-16

BY LAWS OF THE APOSTOLIC FAITH BIBLE COLLEGE, INC.

Article VII Doctrine

It is recognized that the true church of Jesus Christ consists of all believers who believe in the saving grace of our Lord and Savior Jesus Christ and who have accepted Him as their personal Savior. It is recognized and agreed that no organization or man has been granted authority by the Lord to exclude from or accept anyone into the Kingdom of Heaven, as this is done by Jesus Christ only. It is further recognized and agreed that we as Christians are to love all members of the Body of Christ (Christians), and this love and fellowship derives from the unity instilled by the Holy Spirit. Although differences in doctrinal beliefs and interpretations should not influence our love for one another, adherence to similar doctrinal beliefs and modes of worship have bonded together those of the Apostolic Faith Movement as founded by Charles F. Parham in the early 1900's. The scripture teaches us to adhere to the truth and proper doctrine. The common doctrinal beliefs are essentially as follows.

- * Triune God; Father, Son, and Holy Spirit
- * Creation and Formation
- * Man is basically sinful and in need of salvation
- * Salvation by Grace upon repentance toward God and acceptance of Jesus Christ as one's personal Savior, which is the conception of Spiritual Life
- * Sanctification of the Spirit, Soul, and Body, A second definite work of Grace by the Lord Jesus Christ
- * Baptism of the Holy Spirit; evidenced by the speaking in other languages.
- * Water Baptism (of all believers) by immersion in water in the name of the Father, and of the Son, and of the Holy Spirit
- * Sacrament of the Lord's Supper
- * Washing of feet
- * Divine Healing through Jesus Christ for all believers
- * Do not condone divorce and remarriage
- * Destruction of the wicked
- * Conditional Immortality
- * Rapture of the Man Child Class
- * Return of Jesus Christ to earth again; bodily and visibly
- * A ministry supported by tithes and offerings

These doctrines shall be adhered to in the teachings of the Apostolic Faith Bible College, which in addition to other doctrinal teaching approved by the Board from time to time if they are not inconsistent with the above listed basic doctrines.

2009 AFBC Student Testimonies

Lyndzi Eaton - Elkins, AR

The AFBC Choir Tour of 2009 was a great experience. Before going on tour, we were praying for God to do something amazing while we were gone. God definitely showed himself more real to each one and everyone of us, greater than before. Through good and bad times and many states, God provided for us and so much more.

One great part about tour was the way God worked to meet each of our needs as well as the needs of our audiences. We experienced salvation, financial miracles and churches mended from being broken. God is amazing and on tour we were able to see that even more. We learned that if we will trust in Him, He will take care of our needs. ***But my God shall supply all your need according to his riches in glory by Christ Jesus. Philippians 4:19.*** God will use you in ministry if you are willing to be used.

Cathy Alumbaugh-Carl Junction, MO

We returned from Choir Tour a few weeks ago. God was so good to us on this tour. We were able to meet a lot of awesome people, see a lot of cool places and meet with God everywhere we went. All of the churches were really cool and the people were so friendly. As a flute player I had the experience getting lost with Jesus while playing. His presence was so awesome!

Plans for my life have changed drastically since graduating from high school 2 years ago. As a 2009 AFBC graduate I plan to enroll in a local college for the fall semester. I hope to major in music and work with youth.

Katy Cloud - Webb City, MO

Finally, my last choir tour. I will miss those great times of cannonball in the ice-coolers or living in a mansion with exotic animals and even having a nickname of Katy "Green" Cloud... But I will deeply miss the memories of unity, people being healed and people getting saved before our eyes. Friendships have been made and experiences with God have occurred in my life.

Our Spring Choir Tour was quite an adventure; from physically, spiritually and of course emotionally. Going to the Houston Zoo wasn't the part that made choir tour exciting. It was more about the before and after time of the concerts when the choir is having their personal time with God. I never thought God could speak so many different things to you in one verse. In every concert, each of the songs had a different introduction and yet they all ran together giving us a theme. It was the Holy Spirit working in us.

This is my last year. This has been a home, even a shelter to us but it is time to leave the shelter and preach to and teach people of all ages. I am praying that God will lead me to a church where eventually they will use me and prepare me for my future ministry. I plan on working and preparing my calling. Thank You AFBC and Thank You Lord...

Heather Derington - Rogers,AR.

Hello Reader! I am 19 years old. Being at this school has blessed me so much. Every one of my teachers have ministered and impacted me in such a positive way. The guest speakers that have been former students have given me tools that will help strengthen my relationship with Christ and help reach the lost. Brother homer Allen's practical biblical self study has been an awesome thing as well as Cheryl Moser's seminar on abortion and on the mission field.

I did not go on choir tour this spring. I went to visit my grandparents in TX. it was a good experience. god really dealt with me over faith. Throughout my whole break people were giving me awesome testimonies on this. I also got the opportunity to witness to 3 little girls. I helped Snyder 1st Baptist Church (my grandparent's church)with a mission in town. We painted some apartments and while we did this we got to witness to the people who lived there. Bottom line is that God is beautiful. I am so happy to be a child he uses in His Kingdom.

This summer I will be working in the Laverne, OK Apostolic Faith Church. I am sad to leave AFBC this year but excited for next year.

Alania Lawson - Granby,MO.

Spring Choir Tour was a time of spiritual growth and learning. My faith was strengthened through God's provision. I was blessed with nice, Godly people to fellowship with and stay with on Choir Tour. Every concert was led by the Holy Spirit. We all gained unity with one another and we were able to work as one body for the ministry of Christ.

We had many encouraging people on tour with us including Bro. And Sis. Bill Waggoner. In devotions, I feel that God's presence was with us and He spoke through many people. God moved through us and I know He touched many lives. I thank God for allowing us to go on tour this year and praise Him for all the wonderful things He did in me.

Matthew Harris - Rock Island, TX.

I always look forward to Choir Tour. It is a time of learning, growth and blessing. Choir tour puts us in a position of active ministry, where God proves himself faithful on a daily basis. As we traveled across the country from California to Tennessee, God was faithful to meet us no matter where we were. God proved himself to me by meeting all my financial needs, speaking things into my life to speak to others, and giving me the opportunity to use them to bless others. I learned on tour, to trust Him completely because He cares for me. My wants, my desires, my cares... all of me. Even the smallest things, that we may deem insignificant, are important to God.

The time spent at the school learning about God and His Word in important, but can't even begin to compare to the increased knowledge that comes from the practical application of the scriptures on choir tour.

I thank God and the Bible College for the opportunities to travel,minister and fellowship that I have been given.

Savanna Prieto -Midland,TX.

Choir Tour was as wonderful experience. I'm a first year student and it was an experience I will never forget. God speaks to you in so many ways if you open up your heart and allow Him to.

While on tour I visited my home church. It was a neat opportunity to minister to my family and friends. Take advantage of every opportunity God places in your life to minister to those in need. Choir tour is a neat experience for anyone.

Bethany Harris - Granby,MO.

This year spring tour was awesome! Before we left, I was worried about being stressed, emotional, and sick. (I had been all 3 on previous tours) But to my surprise, I was perfectly fine. I had the best choir tour I ever had.

Choir tour is a great experience. We have the opportunity to minister to many people in the service and in the homes. We get to experience active ministry we would otherwise not experience.

My plans for next year are to continue my education. I am going to go to Crowder College in Neosho,MO and work a job. I will move back home and work in my church in whatever way I can, I am not sure what my major will be. I am just trusting God will let me know when the time comes to make that decision.

Some of the things I have learned this year is how to deal with my own faults and how to have boldness to stand for God. I've learned alot about the characters in Bible stories, especially in the Old testament. God has taught me this year to not be afraid and let Him do through me. I've learned to sing and conquered the fear of singing on stage, only through God and I give Him all the Thanks. God has brought me through lots of controversies that seemed impossible. It almost seemed as if I was drowning but He picked me up and set me on dry land. I am a changed person..thanks to God.

I am looking forward to a second year at AFBC, God willing. Thank you.

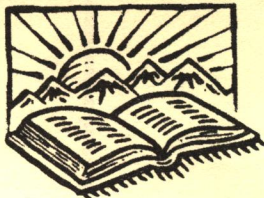

Charity Dorris - Joplin, MO

God has so richly blessed me in my two years at AFBC! His presence has been near and has touched my life in ways I could have never imagined. Along with my diploma at graduation, I was handed a piece of paper that read, "As a minister of the gospel. I, Charity, will not be late." I have a tendency to always be running 5 minutes late, but I guarantee that after the way the Lord has touched my life I will fight to be right on time for every opportunity to share His salvation with others.

So often I desire to see the lame walk and the blind see, but above any other, I desire to see the lost come to a saving knowledge and relationship with my Lord Jesus.

Jonathan Harris - Rock Island, TX.

I want to thank the Lord for His provision. God blessed me so much during the AFBC Choir Tour. We were in Pine Hill, AL preparing to go to our host homes. We had left the college that morning at 5:30 and had a long day. I started to think of the essentials I would need for an overnight stay. I grabbed bathroom supplies, some clothes to sleep in, my shampoo, etc.. I went to the back of the bus to get my suit and it wasn't there! I had a suit jacket but no slacks. YIKES! I told Sis. Cheryl Moser and Bro. Mike Brening volunteered to take me to Wal-Mart to try and find slacks to match my jacket. After we arrived there, we walked back to the boy's section and right in front were boy's suits. I found one that fit me just right and paid \$33.00 for it. God is so good! He knew that I had a very limited money supply and He gave me what I needed at an excellent price. I also got to keep the suit hanger. Most times they keep the hangers and reuse them, but the checker put the suit and hanger in the bag, nothing said. God knew that I couldn't get my hands on an extra hanger very well and He knew that I probably wouldn't even think about needing one. But He provided and I thank Him for that!

Rev. & Mrs. Danny Robinson

On March 6, 2009 we were married 50 Years! Then on March 21st our children, Debbie and Steve Ray, Danny and RaeMona Robinson, David and Nancy Robinson and Daren Robinson hosted a reception for us from 2-4 at the Granby Gospel Tabernacle Fellowship Hall. Our grandchildren, Kandyc and Kyndra Ray, Claire, Grant and Reed Robinson along with Nathan and Garrett Robinson assisted their parents in making this day one that we will always remember as long as we have memory!

First of all, we are thankful that God has allowed us to celebrate 50 years together. He has blessed us every day of those 50 years and continues to bless us. We have been through some tough times but the good times win over the bad times.

Many of our friends and family came to share our special day with us and we want to say "Thank You". We also would like to thank our friends that couldn't come to our party but took time to send us well wishes through cards and letters. Words cannot express how much we love and appreciate our family and friends.

Our children and grandchildren worked many hours on decorating for the party. The tables were beautiful and the food was delicious!

What really brought him to Snyder that day?
He saw those dark eyes flash like dawn of new morn
"Hey Preston" he asked, "Who is that fair lady?"
For deep from inside him seemed a calling just born.

Though Wayne tried to stifle, (He did that you know)
What God set in motion no man could forestall.
Nephews cries of the "lover man" rang from the yard
Her face glowed like crimson, but her heart knew the call.

What mystery is this when two people are joined?
The pathway is dim, but shared footsteps are laid
They vowed before God, Brother had said the words
But before their beginning, their union was made.

Some for a moment, some for all ages
Touching lives on the journey is part of the plan.
Blessed are the chosen that walk in His pathway
For they're part of a grandeur much bigger than man.

Down through the years the story unfolded
Chapter by chapter a legacy shown.
First Debbie, Danny Mack then David and Daren
Each play their part til all knowing is known.

Sometimes the hillsides seem barren and cold
But the hand that they cherish never fails to endure
Through teardrops and laughter He leads through fresh pastures
Together they travel, for a purpose so sure.

This day has been chosen to rejoice in a joining
To stir up fond memories of enchantment and love.
But know that the hosts of all stand at attention
For your steps are still ordered by the Father above.

***Greetings from Crosses Community Church
Crosses, AR.***

My name is Jana Eaton and after spending a few days with some of my most inspirational fellow Christians at the close of AFBC, I decided to share my testimony.

I am the daughter of Glen and Ilene Sanger. I was born and raised in the Beaver, Ok area. I attended the Midway Country Church until I graduated from high school. My Mother was a very faithful Christian and always took (my 4 older sisters & I) to church every time there was a service. I would like to say to those who might be in a home where your husband or wife does not attend church with you - do not lose hope. If you

continue to do what God instructs you to do and continue to guide your children in the ways of the Lord (Proverbs 22:6) God is faithful to honor that commitment as He has done in our family. Generational blessings have come to us and overtaken us because my Mother chose to hearken unto the voice of the Lord (Deut. 28:1)

I attended AFBC for 1 year and then went on to attend Southwestern Oklahoma State University in Weatherford, Ok where I received a Bachelor's of Science degree in the area of Early Childhood Education and Special Education. My sister, Rhonda Waggoner, lived in the Elkins, AR area and when I graduated from college there was an opening in the Elkins Elementary School where I took a job as the K-6 special education teacher. I met my husband, Rex and I am proud to say we have been married for 20 years. I have 2 children, Lyndzi who is 19 and Levi who is 17. I have continued to teach at the Elkins school for 21 years. I taught special education for 15 years and am now teaching 2nd grade.

My husband and I have always worked in church in whatever capacity we were needed. We have tried to be faithful with the blessings God has bestowed upon us and above all, we have raised our children in a Christian home and have made it our goal to train them in the ways of the Lord. I would love to say our lives have been without mistakes and heartaches, but we are no different than you and Satan has tried to defeat our Christian walk many times.

Two years ago the Lord began to deal with me to preach. I allowed Satan to grip my heart with fear of what my family would think and what others might say, mainly because I was a woman. I allowed this battle to go on for almost a year. I attended a Youth Camp in June 2008 and the Lord made it very clear to me in an afternoon prayer service that my calling is to preach. He assured me that if I would obey, He would lead the way. I shared this with my family and we have made it a matter of prayer for 9 months. I finally took a step of faith and shared with my church family what I knew the Lord was calling me to do. God has been faithful to open doors of opportunity for me to preach the Word.

I appreciate those of you who have given me the opportunity to minister in your churches and I would love the opportunity to minister in more of our churches. I am available on weekends and through the summer throughout the week. When God opens a door, I will be ready to go.

May God bless you and ignite a flame in all of us as we go about sharing the coming of our Lord Jesus Christ.

Joseph Allen Faries 1917-2009

Joseph Allen Faries passed away Tuesday, February 12, 2009. He was born January 28, 1917 in Crowley County, Colorado to Archie Dillard and Edith Holmes Faries. Soon after, they moved to Wheatland, Wyoming and later returned to the western slope of Colorado to homestead a farm northwest of Olathe. His schooling was at the nearby Fairview School until 1932. After various working experiences on farms and ranches in that area, he and his accordion entered the ministry traveling with various evangelists from the Apostolic Faith Ministries and eventually began his own evangelistic ministry throughout the Midwest plains states. In 1939, he began a pastorate at the Apostolic Faith Church in Hardesty, Ok followed in 1941, as pastor in Wichita, Ks. He remained in Wichita until after the war. When he was able again to get gas for travel, he returned to evangelism until August 1946. He then accepted a pastorate in the Apostolic Faith Church in Cave Springs, AR so his three sons could get

an education. In 1954 he moved to the Center Point, TX church and then to Brownwood to pastor First Assembly of God church from 1962 to 1972.

In 1939, he married Lucille Vada Ludden. They had four sons during the next fourteen years; Eldon Dwane in 1940, Dillard Wayne in 1941, Glayron Keith in 1943 and Allen Roy in 1953.

In 1973, he married Alta Janice Hodnett. They built a home in the southwest area of Austin, TX where they have continued to reside.

Joe was loved by many because of his gregarious, helpful and caring attributes. He was widely known for his abilities in preaching, violin making, woodworking, plumbing, electricity, welding, home building, tooling, engineering, finishing, crafting, designing, mending, doing, thinking and teaching: a "jack of all trades" and a master of each.

Joe and Janice have been loved and appreciate the friendship and the support of their numerous church friends, relatives, neighbors and friends from all over the world.

Joseph is survived by his wife, Janice, Pixie, his endearing cat, and four sons with their respective wives; Eldon and Virginia of Spring, TX, Dillard and Sally of Glyn Ellen, IL, Glayron and Judy of Lutz, FL and Allen and Cindy, Austin, TX; eight grandchildren and fourteen great grandchildren; one brother, David Clyde of Olathe, CO; sister-in-law, Vera Fairies, nephews and cousins. He was preceded in death by one brother, Roy Lee Faries.

Funeral services were held on Saturday, February 14, 2009 in the Weed-Corley - Fish Chapel in Austin, TX with Pastor David Burkholder officiating, assisted by Mike Fizzel. Interment was at Forest Oaks Memorial Park, Oak Hill.

Memorials were made in Joe's name to Trinity Baptist Church Building Fund in Pflugerville, TX and the Assemblies of God Mission fund in Springfield, Mo.

Heaven Bound on A "Non Stop" Flight

Dr. Marcus Adair took a "non stop" flight on Christmas Eve, Dec. 23, 2008, joining his "70 Year Partner", Mary, in their "mansion - just over the hilltop." Memorial services were held Dec. 30, 2008, Cathedral of the Hills, Edmond, OK.

Marcus was born Aug. 19, 1918 in Boswell, OK to John and Bessie (Bozarth) Adair and spent his younger years in many foster homes, with an address of "anyplace." In his later high school years, he was welcomed into the home of the Paul Pletcher family of Perryton, TX. The Pletcher family remained an important part of Marcus' life.

On July 29, 1939, he married Mary Howard, Logan, OK at Booker Friends Church, Booker, TX by J. Paul Bollinger. Providing music were the Russell Sisters, daughters of the late Rev. & Mrs. Bob Russell of Booker.

Bro. Marcus Adair's ministry spanned over 70 years and 3 continents, building and serving churches, including Midway Country Church, Logan, OK, Follett Chapel, Follett, TX., Faith Community Church, Canyon, TX., and Faith Bible Center on WTSU campus in Canyon, TX. With a vision to "extend God's hand" to college youth, Marcus & Mary both enrolled in university classes, while continuing in full time ministry. Marcus was always learning and in his pursuit of education, earned the following degrees, all after having 51 years of age. His desire to learn was exceeded only by his desire to serve.

1969 - West Texas State University, Canyon, TX - Bachelor of Science in Geology
 1971 - Phillips University - Enid, OK - Masters of Education
 1975 - Bethany Nazarene - Bethany, Ok - Masters in Philosophy
 1983 - California Graduate School of Theology - LaHabra, CA - PhD in Theology
 1984 - University of Beverly Hills - Beverly Hills, CA - PhD in Philosophy

It was not unusual for Marcus to travel over 5,000 miles in a week visiting folks in nursing homes, hospitals and shut-ins. In 1952, Marcus founded Marcus Adair Missions, with the desire to "extend God's hand" to a lost and hurting world. In 1962, he began The Torch of Faith publication, as an outreach of Marcus Adair Missions, with primary focus of "spreading the gospel." Dr. Marcus L. Adair was a tireless servant of God and will be missed by all whose lives he touched.

Life's Book

No matter what else you are doing
 From cradle days through to the end,
 You are writing your life's secret story...
 Each day sees another page penned.

Each day when you awake, the book opens,
 Revealing a page clean and white ...
 What thoughts and words and what doings
 Will cover its pages by Nnight?

Each month ends a thirty-day chapter,
 Every year means the end of a part...
 And never an act is misstated
 Or even one wish of the heart.

God leaves that to you... you're the writer,
 And never a word shall grow dim,
 Till the day you write the word *Finish*.
 And give your Life's Book back to Him.

I LIKED THIS ONE!
 Bro. MARK

From The Editor

For me, as the editor of the Apostolic Faith Report, each issue has something that has personally touched my life, and this one is no exception.

In this issue, I've read the testimonies of the AFBC students that I have seen grow in the Lord. I've seen them mature and I've seen doors of ministry open for them. Those who have left here in graduation will be missed greatly just as all other graduating classes have been, but we will continually be hearing of their work for the Lord. ***He is still calling laborers for His harvest.***

Friends of ours are celebrating this year, **50** years of marriage, which is an encouraging milestone in today's world. What a great witness of God's faithfulness!

The birth of a sweet baby boy, who is in the congregation of my own church, was reported in this issue. I well remember when his daddy was born, and I know also of God's blessings upon his family through good times and bad.

This issue also tells of a wife and mother who knows that God has called her to ministry. I've also seen her growing up years as many of you have. I have also personally seen the commitment of her entire family and their willingness to uphold her in her calling.

I've seen dates on the calendar in this issue telling of youth camps, youth retreats, camp meeting and we know there are so many more that are happenings in your churches. They tell me that God is still at work touching young lives and lifting up faithful saints. ***He's getting His Church ready!***

Finally, with great sadness and yet with great **CELEBRATION** I read of dear brothers and sisters in the Lord who have departed this life for a much better one. All of these have impacted my life in some way. Much could be said of each one but perhaps I'll just share a few memories of each.

A rock sets on my desk at home which simply states, "Bro. Mark rocks, Karen" I would have to agree with that. I remember so many times Bro. Mark would take (notice I said "take") time for our two (little at the time) grandsons who had lost their mother, and make sure they had his undivided attention. Of course a rock was always placed in their pockets, making them feel so special because Bro Mark touched their lives. Today they too, have both stepped into the ministry that Bro. Mark dearly loved.

My husband tells of Bro. Faries teaching in a youth camp many years ago and we have sign in our living room window that says "**Jesus Saves**". Bro. Faries helped him make it and it's message is there for all to see. I also remember the look on a young lady's face as she was presented a violin by Bro Faries at the closing of AFBC one year. The Lord gave her a desire of her heart through Bro. Faries, as he listened to the leading of the Holy Spirit.

As a young Christian, many years ago now, I met many who were encouragers and witnesses to me of God's greatness. I too remember Sis. Eva Pitts as being one of those. She and her husband, Carl lived in our area and so I became acquainted with them. I always remember the sweetness of her spirit and I saw their faithfulness. I remember being in their home for cottage prayer meetings and in services with them. What I saw in her was steadfastness and faithfulness. How **blessed** I am to have known her.

In this issue, I've said good-bye again to a dear friend - Betty Moser. Memories flood my mind - hamburgers at her home on Friday nights when our families were growing up - going out after church and telling the kids they could only order a coke or french fries (not both, money was scarce) - ice cream freezers and army cots-the rains that always came when our families went camping - being at church together every time the doors were open - cottage prayer meetings - revivals that lasted weeks - prayer around the altar - weddings-funerals - laughter and tears - good and bad -all bathed in the love of God. ***How blessed I am to have been one of her friends.***

Yes, I am always touched in so many ways as the work goes on at this office - touched by each and every one of you as we labor together for His kingdom, you in your place and I in mine. Thank you for always being there, blessing and encouraging , walking on in the faith. ***Soon our Faith will be Sight!***
