

LOCHEARN COMMUNITY CLUB
GRILL POLICY

1. Grills may be used in the designated area by the snack bar only.
2. Please limit use of Club grill to 30 minutes.
3. Proper Health Department regulations must be followed when handling raw meat.
4. Club members must provide their own condiments, utensils, plates, etc. when using the grill. The Snack Bar operators will not provide condiments, plates, etc.
5. All members must register/sign-up for use of the grills with the Manager. Club owned grilling utensils are available for sign-out as well.
6. Members using the grills must clean the grill and any Club owned grill utensils upon completion of use.
7. Members will inform the Manager once they have completed use of the grill for inspection of cleanliness.
8. Repeated failure to properly sign in/out and clean the grill will result in loss of privileges.
9. The Club will provide the first 2 propane tanks at the beginning of the season. Once these tanks are empty, members must donate money (to the Club Manager) for replenishment of the propane tanks. Members can always provide, at their own expense, a replenishment of a propane tank as a donation to the Club.
10. Is using a charcoal grill, members must provide their own charcoal.
