What's Been Happening?

 October has come and gone so quickly! The children have been practicing their sign language so it has become a great key to their communication. We encourage the children to say how they are feeling and how to kindly let others know when they need their personal space. The children enjoyed all the sensory crafts we did this month for Halloween. We had a great time when we cut open our pumpkin and let them touch the slimy inside. We have been teaching the children to use their large motor skills by stacking blocks and knocking them over. We will continue to work on our small motor skills such as, holding our cups and spoons and demonstrating how to use them the correct way.

Sincerely,
Mrs. Farrish
