The English Language Learning Foundation, Inc. invites you to participate in their 9th Annual Recognition Breakfast. Critical operating funds are raised through our annual recognition event to continue to provide programs for more than 4,000 children and adults in Greater Cincinnati. Our programs are directed to help English language learners become successful in their academic lives while fostering their cultural identities. The ELL Foundation, Inc., incorporated in 2006, is a Non-Profit 501 (c) (3) Tax ID #20-4963894.

The ELL Foundation is proud to share that none of our budget is spent on administrative costs and salaries, and close to 100% of our overall budget is spent on providing scholarships, educational programming and cultural events.

As part of this event, the English Language Learning Foundation, Inc. will be honoring Students of the Year (TBA), Educator of the Year (Yasmeen Khan), Tutors of the Year (Azar and Janine Nader), and will present the Make a Difference Award (Sisters of Charity of Cincinnati).

Please join us and help ELLF continue to make a difference in the lives of countless families.

**Submit Reservations by February 1, 2017**
