Visitor's Acknowledged – Jeff Amon, Zoning Hearing Board member, said the third hearing went well and nothing is scheduled.

Dana Graham, 6826 Pyma Dr., was having a problem with zoning. She wants to file a variance due to setbacks. She explained that she was building a roof over two existing cement pads on both sides of her house. Gary had a question regarding the setback on one side. She measured her lot, which is 14,810 sq. ft. Cathy gave her a variance application.

John Novak and Richard Kirsch, Little Fawn Acres, are still questioning the setbacks of the mobile home that was set at an angle. The mobile home still does not have steps to the front door. There is also a mobile home with tarps covering it. No one knows who owns this MH. Cathy will have Gary Johnson look into it. They did thank the Township for installing new street signs, trimming trees and paving the roads.

Dan Waters, 3128 Ackerman Dr., wanted to express all the wonderful things happening in the Township. The Winery, Brewery, trails that have been added. Property is selling and growth is happening. He hopes the Township allows this growth to continue.

Denise Devine and Michael Blattner, 994 Winding Way, conveyed that the neighbour across Paden concreted his front yard, which includes a deck and driveway. Due to this, ditches filled in and there is a water problem. Denise also says the owner is preparing to put up a fence. Cathy will inform Gary about the fence and deck. The ditch problem has already been looked into and the water problem is supposed to be fixed.
