From the Prez- Chuck Smith

Hello and welcome to the April "Springfest" issue of the 'VairFax. When you read this, it will be about two weeks until our event in the north Georgia mountains. Even with the pandemic still hanging around, it is still going to be a great event. After all, its been two years since we have able to get together with our Corvair friends.

Please understand, the host clubs are doing everything possible to make this as safe an event as possible. All events will be held outside. Masks MUST be worn in the registration room, and the door will be monitored to ensure that no more that 10 people are inside at one time. The Festhalle will be available for people to come in and rest, but unless the governor changes the restrictions, only 50 people will be allowed inside at one time.

While this is a lot to contend with, lets be thankful that we are going to be able to get together with family and friends, and enjoy our favorite car!

Looking forward to seeing you all in Helen!

Keep those Corvairs in the road,
and do something nice for somebody.
Chuck
