Jenny Shorr, VP Membership	Ms. Waldron, Assistant Principal
Kay Rodgers, Volunteer Coordinator	Mrs. Fortney, Student Council
Carly Parkhill, EVP	

Welcome

Carly Parkhill, EVP, welcomed everyone to the meeting.

Principal Update:

Middle School:

Mrs. Slover stated that Middle School parents should be on the look-out for information regarding registration this week. Registration will continue through January.

One change in registration is that students will be inputting their courses. Another is that next year students will be able to change electives at the semester excluding year long course electives.

Sixth Grade Round-Up is Wednesday, January 17, from 6-6:30pm in Mrs. Gerding's Room. Parents will receive information on course registration. Mrs. Slover will also discuss tips for a successful transition into Middle School. It is a great time for parents to get any questions they have answered.

Eighth grade students will receive High School registration during their visit to Chaparral on Wednesday. Please reach out with any questions or concerns!

Testing:

AIMS Science testing will be in March.

AZ Merit testing will be throughout April. There is very little wiggle room for make-ups this year so please plan accordingly. Be on the lookout for testing schedules from your child's teacher.

Second Grade Gifted testing is February 12-16th. Be on the look-out for information from your child's teacher regarding their testing schedule.

Water Bottle Fill Stations:

We are so pleased that we received almost twice as many fill stations as we originally asked for. We have 2 in the cafeteria, 2 in the office, 1 heading out to the elementary playground, and 1 in the gym.

Traffic System for Drop-Off and Pick-Up:

Tuesday was our first official day implementing the new drop-off procedure. When you are in the "Drop-Off Zone" please let your child out while the traffic is stopped even if it is not the exact spot you prefer to release your child. We are trying to keep the traffic flowing and have less "stop and go" traffic build-up. Please view the video at goo.gl/8izcz3.

MTSS-B

Ms. Waldron gave a very thorough overview of MTSS-B which stands for Multi-Tiered Systems of Support for Behavior. The purpose of the team is to reach all students behaviorally to help

them meet expectations and support teachers along the way. The goal is to shape the behavior that we want.

BIG ANNOUNCEMENT!!!

Mrs. Slover announced that we will be having an Elementary School "Special Person" dance on Friday, March 23rd from 5:30-7:30 for PreK – 5th grade. Children are to bring Mom, Dad, Grandmother, Grandfather or any adult they would like to accompany them to the dance. The theme is Circus. There will be a DJ, photo booth, food trucks and more! We are so excited for this special event for our elementary students!

Movie Night at CRS

Another exciting event is movie night at CRS. Date is TBA.

APEX Sign-Up Genius

The Apex Fun-Run is Friday, January 19 from 9:00am-1:30pm. There are still many slots open to volunteer on the Sign-Up Genius. If you are interested in helping please sign up!
