Dear Friend,

Are you tired of getting nowhere in life because of your Drug problem? Going through daily life putting on a happy face, though deep down inside you are lonely, empty and unsatisfied? Are you tired of going from shelter to shelter, program to program looking for help?

### **JESUS IS THE ANSWER!!!**

I would like to take this opportunity to introduce our ministry to you. We are a church dedicated to seek and save the lost at any cost. Our target is the Drug Addict. Our goal is to restore the Drug Addict and their families through the Word of God and the power of the Holy Spirit. Our vision is to plant churches in the inner cities.

The God that did it for me, my wife and my family is the same God that can help you. There is nothing impossible for God. Our men & women's Drug Restoration Homes are FREE of charge. If you're sick and tired of being sick and tired, give us a call.

We are here to serve you and guide you. Jesus Christ is alive and well and He restores lives. He can make something out of nothing!!

We love you and encourage you to visit us if you don't have a Church.
