# PRESIDENT'S REPORT

By Ken Gordon

Happy Almost Spring!

Last General Meeting we had a good turnout and thank you to Tariq from Scotia Wealth Management for the presentation and Q & A. Very informative!

Also thank you to Jan Raven for taking the minutes of the Executive Meeting & General Meeting in Roxanne's absence and providing the minutes extremely efficiently. Great Job!

Motorama is less than 2 weeks away and I want to thank Ron T, Brent G., Ron L., Brian S. and Fletch for this year's display on behalf of Corvettes of Durham. Several members have volunteered to attend that weekend (much appreciated). Let's hope we have good road conditions to get out there and back.

Our next event is the Spring Cruise to Elmhirst Resort Sunday April 26<sup>th</sup>. Already have a good response, but if you plan to join us (Corvette or Steel Car) please let me know. It's a beautiful cruise & fabulous buffet. Hope to have a great turn out!

Next General Meeting will be March 18<sup>th</sup>, 7:00pm at Sabina's.

Happy St. Patrick's Day!!

Cheers!

Ken

## BITS 'N PIECES...

- The 6<sup>th</sup> Annual Motorama Custom Car & Motorsports Expo is back at the International Centre on Airport Road, March 13<sup>th</sup>-15<sup>th</sup>.

Special guest will be Chip Foose on the 14<sup>th</sup> & 15<sup>th</sup>. If you're a 'car nut', you'll want to attend his seminar on Saturday or Sunday.

Before or after that seminar, why not come by the COD booth! We're the only Corvette club that will again have a booth displaying six of our members' Vettes.

Volunteers are needed to cover our booth for a few hours at a time Friday through Sunday. If you can spare a few hours on March 13, 14 or 15, why not volunteer some time to cover our booth? You'll meet a lot of car enthusiasts asking about our Club and our Corvettes.

A number of passes will be available for volunteers on Friday, Saturday and Sunday.

Let Ken know if you can give some time – and join in the fun!

At our booth you'll find **DreamVettes** flyers, show flyers from other Corvette clubs and a continuous slide show that Anne is updating.

Check the Motorama website often for details and updates:

## **20 Memories of 20 Years**

I was thinking about all the memories we have of Corvettes of Durham over the past 20 years and thought I would share them in the Newsletter so, in no particular order, here are some of my favourites:

- David winning the set of Goodyear Tires at the Quad C banquet within a week of joining COD.
- All the Christmas Parties, starting at the Legion in Ajax and up to, and including, Trillium Trails.
- The barbecues at Frank and Joanne's in Picton – especially when Frankie wore jewellery.
- The Spring Cruise to Puddicombe when we froze riding the little open train around the winery.
- The first time our club was invited to park under the front canopy at the GM building for Autofest.
- All the summer boat cruises on the yachts at Lagoon City (and one year David was re-united with his best friend from school after 40 years – and Rob had the biggest yacht).
- Seeing 22 members of our club standing on the front steps of Graceland on our Hillbilly Tour which was to Nashville, Memphis and Bowling Green.
- Waking up at Christie Mills on our fall cruise when every Corvette was covered in frost.
- A bittersweet memory of Irene's funeral, where 30 Corvettes lined the pathway, with all members standing beside the cars as an Honour Guard, as Irene made her final trip to her resting place.
- Dream Car Garage Guys at DreamVettes picking David's '88 because it was all original.
- Seeing 35 members show up at our regular meeting spot, with absolutely no idea what the day held for them on our first Magical Mystery Tour.
- Brian and his team trying to park almost 100 Corvettes in Paul & Shirley's driveway when COD hosted the NCM Museum-in-Motion Tour at their home following a cruise on Lake Scugog. You had to be there!
- Several members of our club standing in the lobby of the National Corvette Museum, with our Corvettes on display in the Museum, waving at the webcam to everyone at home – and apparently all over the world.
- Jim being named "King of Bling".
- Dorothy and Bruce leading the members to Carlisle, where David and I had set up a Welcome Party in the hotel lobby, complete with an open bar. Shortly after, Ron B. was riding a mechanical bull with no head.
- Seeing "Welcome Corvettes of Durham" as we arrived in Detroit for the Woodward Dream Cruise.
- The Wild Animal (Jungle Animals) Taxidermist shop where Ron L. had his flat tire fixed.
- The Good Samaritan Award from the National Corvette Museum for our hospital donations.
- All the Canada Day Parades at both locations honouring our Vets.
- And, I still have a million more memories of 20 wonderful, wonderful years.

-- Jan R.

Reeves Callaway started Callaway Cars in 1977 building something beautiful and powerful,

appealing to owners of fine automotive machinery. Reeves had a passion for making engines powerful. In 1986 his company became allied with the Corvette and today it races in Europe with a C7. Reeves has made his mark on the history of Corvette and has provided a unique niche for Corvette fans who crave his "Powerfully Engineered Automobiles." Read more at

Doug Hooper is one of the first drivers to have brought Corvette to the international stage following his win in California in October 1962 in the new Sting Ray Split Window Z06 racing option. In December '62, Zora Arkus-Duntov asked Doug to test his new secret project – the Grand Sport. After the test, Doug was scheduled to co-drive the Grand Sport at LeMans in June 1963. But in mid-February 1963, the GM sponsored race program ended.

Most racing fans recognize these names as the drivers of the Owens–Corning Fiberglass Corvettes in the late '60s and early '70s. They were the most successful duet in FIA and SCCA, winning 22 straight races from 1969 to 1971. "Jer" landed a job at Chevrolet in 1960 and a year later began racing a '56 Corvette at Detroit area tracks. During the '65–'66 season Jer and Tony met, became friends and competitors. Their OC racing record was

unmatched by any other team. Today, both men are still involved with building and racing vintage Corvettes. Read more at <https://www.corvettemuseum.org/learn/about-corvette/corvette-hall-of-fame/Doug-Hooper>

**NO PLANT TOURS YET!** Stay tuned!! Your Ambassadors will notify you as soon as the reopening of Plant Tours is announced.

Since January's 24-hour Daytona race, Corvette Racing competed in the FIA WEC (World Endurance Champion-ship) series. The goal for the WEC races is to continue development of the mid-engine Corvette against similar manufacturer-backed competition they face in the IMSA GT Le Mans class.

In late February at COTA in Texas, Corvette Racing entered one mid-engine Corvette, the No. 63, driven by Jan Magnussen and Mike (Rocky) Rockenfeller.

Three practice sessions held the day prior to the race added more to the team's notebook of data on the new C8.R. The No.63 performed well during the race, but BoP restrictions really handicapped the C8.R against the other LMGTE PRO race teams.

The team enjoyed a trouble-free event with a sixth-place class finish. Jan and Rocky each made their first starts in the mid-engine Corvette C8.R, completing 170 laps for 570 miles in the highly competitive GTE Pro category.

No driver mistakes were made and the Corvette Racing pit team turned in its usual exemplary performance. Ample feedback and data were collected for study in preparation of upcoming races in both the FIA World Endurance Championship and the IMSA WeatherTech SportsCar Championship this season.

Corvette Racing will compete in both series at the Super Sebring weekend March 20-21 in Florida: the Mobil 1 Twelve Hours of Sebring for IMSA and the 1,000 Miles of Sebring for FIA WEC.

## Winter escapes...On the Road With...

Carl & Susan went to Portugal to enjoy good food, the scenery, culture, history and weather averaging in the 20's.

On this side of the Atlantic, Ed & Gail continue to enjoy the US south with average daily temps of 23 to 25C.

Chuck & Linda joined

them for some golf and cold drinks.

In Cozumel Mexico, statues like this (left) dot the waterfront.

Ron & Sue spent some time with Richard & Margaret Chute. The temperature ran between 25 & 30 C each day.
