SHEFFIELD/Letter/2018/03

Dear Mr Sanders

I am writing to thank you for your generous donation towards our fund-raising effort to site an ex-HMS SHEFFIELD Union Flag within Sheffield Cathedral.

The SHEFFIELD Association has extremely close ties to the city of Sheffield, and we return annually in May to pay our respects to the fallen of D80. We are touched that your members have helped us to make that service, held within the cathedral, an even more poignant event.

I will endeavour to keep you up to date with the progress we are making and have enclosed our last newsletter which gives a good background to where we stand to date.

Please pass on our thanks to your membership on behalf of our membership, all of whom expressed heartfelt gratitude for your contribution at our recent AGM.

Yours Aye

Charlie Carbery
