What Happens on D-Street

By Kim Whitehead

You know how they say what happens in Vegas, Stays in Vegas? Well..... the same can't be said for D-street in Leisuretime. On Saturday June 4th we managed to pull together around 25 friends and have a BBQ. Maybe with some luck we can continue this trend throughout our park. Although the BBQ was on D-street we managed to get visitors as far away as P-street and F-street. It seemed everyone had a

great time, including poor Chloe (pictured above) as she was recovering from surgery and got her own chair and coke. What a Lucky Dog (except for the surgery of course) If you would be interested in pulling together a street BBQ, my husband Steve is an expert and can give you some advice. We would love to see this trend continue and move from street to street. (more pics page 4)

Bobbie and Shirley Young celebrating Shirley's 83rd birthday in McCall (Photo Compliments of Dene Greer)

(Hopefully the pictures will be sent in on these celebrations) If you haven't met Shirley and Bobbie I highly recommend taking the time to do so. They are wonderful people and a lot of fun. They are what make Leisuretime the great place it is.

Happy Birthday Shirley

In the Spotlight

by Kim Whitehead

We would like to recognize Shirley and Bobbie Young this month. Shirley celebrated her 83rd birthday. Later this summer they will celebrate their 65th Anniversary and Bobbie will be celebrating his 84th birthday.

CPR CLASS

by Kim Whitehead

On June 25 Bill volunteered his time to teach a class in CPR. Although it wasn't a class that gave a certificate, it did teach what needs to be known if an emergency arises. Bill has been spending a lot of time trying to fix the pump for the pond

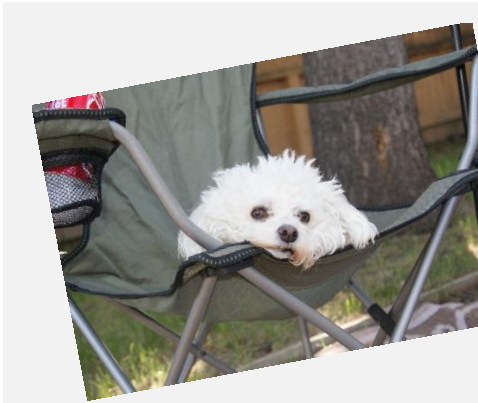

which has caused issues for him to get his regular work done. Even with all this happening he volunteered his day off to teach. Please be sure to thank Bill when you see him out and about.

OUR WEBSITE

BY KIM WHITEHEAD

We are always trying to keep our website up to date. Please take time to browse and if you have pictures that you would like to add send them to ltrvcascade@gmail.com. I love to get pictures and information from the park to add to the newsletter and website. Although we do put information on our website that might be urgent or important, it is always nice to have information that deals with just our community and something wonderful happening. Leisuretime is a beautiful place to

be and getting information out about our neighbors instead of just the usual equipment breakdown is important to. If you have a neighbor, you would like recognized in the newsletter please let me know.

Elections

by Kim Whitehead

Elections are approaching quickly and everyone should have received a ballot in the mail. These ballots give you the opportunity to vote for who you want. Along with the ballots you also received letters from each and every individual running for office. Please take the time to get to know the candidates. If the letters don't give you the information you may want, plan on attending the "Meet the Candidate hour" on July 3 beginning at 11 a.m. All candidates have spent time putting together information for all park residence. We have 2 positions and 4 candidates, let your vote count. For anyone interested in volunteering on July 23 for counting ballots, please send a quick note to ltrvcascade@gmail.com. We are looking for apx. 3 to 4 backup volunteers.

Keep an eye out

On July 3, 2016 from 11 a.m. to noon is your chance to Meet the Candidates. Don't miss it.

Don't forget that on July 2nd is the BBQ hosted by Don and Mary Lou Weber.

Due to low participation with the Activities group most of the activities which they host have been cancelled for 2016.

Editor's Note

It is so hard to believe that June is already coming to an end and July is around the corner. It has been a busy month for Leisuretime. It seems that every time we turn around something is breaking down. The pond pump went down and Bill has been working on it, which caused him to get a bit behind on his regular duties. Thankfully Teri has been helping along with some volunteers. Many thanks to everyone who has helped out at this time. During all of this our irrigation went down due to lack of water. The pump continues to cycle on and off. Through all of these problems my husband and I have helped with a few of the day to day tasks and I found my smart phone isn't as smart as you might think. We helped mow and I walked a total of 178 minutes and got 17,419 steps. My sweet husband who worked but got the riding lawn mower had a total of 169 min and 17235 steps.

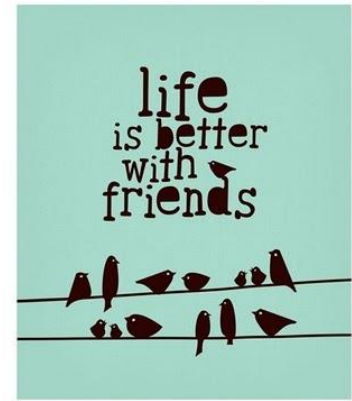

Kim Whitehead, Editor

(WHAT'S UP WITH THAT) How in the world can he get almost as many steps as I got when he is sitting on his butt on the riding lawn mower and I am using a push mower? Something is so wrong. *IT'S A CONSPIRACY.* Which I'm sure my husband is behind. I will never be able to trust my smart phone again.

Don't forget that the 2nd of July Don and Mary Lou Weber are having a Potluck. Then on the 3rd of July a "Meet the Candidate" forum will be held in the pavilion so that you can have an opportunity to meet and talk to each candidate who is running for a position on the Board. We have 4 candidates and 2 positions. So if you aren't sure who to cast a vote for, please take the time to meet each one to help you make a decision. It is so nice that this year everyone can have the opportunity to vote, even if you can't be in Leisuretime during the annual meeting.

I hope everyone has a wonderful and safe 4th of July. We have an outstanding community with a lot of terrific people and I look forward to getting to know as many of you as I can.

This year I have had the pleasure of meeting new friends and seeing old friends. I hope that this continues throughout the year. I have met more people this year than I have the entire time I have been in Cascade. Why did I wait so long to get to know everyone? Don't wait, take time to introduce yourself to your neighbor. It is well worth the effort.
