1st Annual MGWA Golf Scramble

We would like to invite you to the 1st Annual MGWA Golf Scramble. In lieu of the Spring Demo this year we have decided to host a Golf Scramble to get our membership together to talk shop, socialize and have some fun. Can't golf, don't worry, it is a scramble format and we can pair you up with someone who can. Or you can join us for lunch and sit on the patio at the 18th green with a drink in hand and heckle those of us attempting to reach the green. We will have a social hour or two after the golf while we pass out prizes, drink and tell tall tales of magnificent golf shots that we didn't make. Golf scrambles really aren't about the golf, it is about getting out and having a good time while trying to hit a silly ball into a small hole. Sounds like fun right!!!

If you would like to volunteer and not golf, you can help out with registration, or managing some of the contests we have lined up. We would just like to get as many of our members together whether you golf or not.

Have a family member that is a ringer, bring them along. Are you a mini golf wizard that can bend putts around dinosaurs, join a team and help out with the putting, everyone can contribute.

For our Honorary Members, the Association would like to cover your registration fee in recognition of your many years of contribution to our association and industry.

Please join us for a fun filled day of golf and conversation.
