Volume #1 Published Monthly

From the President's desk, May 2015,

By the time you get this, the Kids Fishing Derby will be in the books. I am sure it will be/was a success as those trout guys really know how to throw a fishing party. Hopefully I will have seen many of you as I once again try to teach my grandsons how to fish (they usually teach me, with some help from the trout guys....)

This month's open meeting on May 19th will be a busy one. The big ticket item is our annual election. The nominees are; Pres-Howard Thompson, 1st VP-Gary Swope (me), 2nd VP-George Fuhman or Kevin Myers, Recording Secretary-Bill Stone, Corresponding Secretary-Lisa Fuhman, Treasurer-Cindy Ness, Assistant Treasurer-Lee Hankey or Holly Morris, State Director-Dan Blair or Tom Kornbau. Our board of directors, from which you may choose up to 4; Kevin Downing, Buddy Knight, Paul Mason, Paul Nowotarski, Dave Ragland, Greg Senft, Jim Sheehy and John Zeigler. We will also be voting on accepting the proposed changes to the By-laws that we have been discussing for a couple of months.

Next, while the ballots are being counted, Raptor Rehabilitator Mark will be giving a talk and demonstration with a few of their finer feathered friends. Last time we got to see a few live owls and hawks up close and personal.

Come early so you can get a good seat, and parking spot.....

The rescheduled annual IWLA State division meeting is June 6th, in Bedford Pa. There are several folks planning to go to represent York #67, we would love to see a few more people attend. Please call me if you are interested in attending, there is still time to be a delegate.

Many thanks to the folks who helped out for a few hours at our last work morning. The next club work event will be Sunday May 31st at noon. We will be doing some more spring cleaning and planting and some fix-em-ups. Bring along a few garden tools, rakes and shovels and such, and trail clearing gear. Look for an all member email in the week prior for more detail.

Thanks to Holly Morris and Andrea Moyers-Bloss for stepping up to help out with the fall sandwich sale. The tradition continues!

There is plenty more in this newsletter, so read on, and I'll see you on the grounds.

As always, if there is anything on your mind, good or bad, please feel free to reach out to me.

Juniors: Juniors have been preparing to help with the stream restoration projects since February. On May 16 at 9:30 AM we will get our chance to work on a project. Plan to meet at the IWLA Club House and car pool to the stream site. We are hoping to donate and install our duck boxes and blue bird boxes on this trip. Let me know if you are attending so we have a good count. Everyone is invited to participate!

Any Juniors interested in running for a position (President, Vice President, Treasurer or Secretary) please notify Mr. Ted. Elections will be held before our archery activity at the May meeting.

During the May open meeting, the Juniors are planning to shoot Archery. Juniors are welcome to bring their own equipment; but, must only shoot target arrows, no broad heads. For our June meeting we are having a Fly Tying demonstration - make sure to mark your calendars.

Ranges: Just a reminder that the rifle and pistol ranges will be closed from 12:00 pm Friday, June 12th until around 5:00 pm Sunday, June 14th for the Mid-Atlantic Multi-Gun Championship. This is a spectator sport, and it is free to watch. Some of the best 3 gun shooters in the country will be shooting Saturday and Sunday. Bring your eye and ear protection and come see what this exciting sport is all about.

Save Our Streams: IWLA 67 Save Our Streams Committee is planning another stream review with the help of Aquatic Resource Restoration Company. This time the Ike Jr's are going to get involved by placing blue bird and duck boxes near the stream project. We invite all members and guests to participate. It will be enlightening and even fun. Bring your fishing poles, there may still be something to snag your hook. The date is May 16, 9:30 AM, meet at the IWLA Club House. We will car pool from there to the Glen Rock site. Shoot me a quick email at lehankey65@gmail.com or call at 717-881-0230 if you plan to make it.

Kevin, please bring up to the BOD as a friendly reminder for all to get out and support SOS and Jr's.

Paul Wilson Conservation Award: Winner, Kendra Bierman is from Dallastown High planning to major in environmental science at Juniata College next year.

PA State Division Meeting: will be held on June 6th at 9am at Hoss's Steak & Seafood in Bedford, PA. Elections of Officers and Board Meeting to following.

York County Federation of Sportsmen Clubs: Veteran shoot will be held on July 11, 2015 at Starview Sportsmen Club. If you are a veteran and interested in participating or anyone who is interested in volunteering to help, contact Phil Baker 717/266-5987.

Welcome New Members: Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.
