

FENCES

Section 3.09

A. Change to read:

For lots with a main building only chain-link, wrought iron, wood or vinyl fences are permitted within the front yard setback. This fence cannot exceed 4 feet in height and must be at least 6 feet from the road right of way. No fence may exceed 6 feet in height behind the front yard setback line of the main building.

Relabel the diagram to show the required front yard setback.
