Terms of Acceptance

The goal of our office is to enable patients to gain control of their health. To attain this we believe communication is the key. There are often topics that are hard to understand and we hope this document will clarify those issues for you.

Please read the below and if you have any questions please feel free to ask one of our staff members.

Informed Consent:

A patient, in coming to the chiropractic doctor, gives the doctor permission and authority to care for the patient in accordance with the chiropractic tests, diagnosis, and analysis. The chiropractic adjustment or other clinical procedures are usually beneficial and seldom cause any problems. In rare cases, underlying physical defects, deformities or pathologies may render the patient susceptible to injury. The doctor, of course, will not give any treatment or care if he/she is aware that such care may be contra-indicated. Again, it is the responsibility of the patient to make it known, or to learn through healthcare procedures what he/she is suffering from: latent pathological defects, illnesses or deformities which would otherwise not come to the attention of the chiropractic physician. The chiropractic doctor provides a specialized, non-duplicating health care service. Your Doctor of Chiropractic is licensed in a special practice and is available to work with other types of providers in your health care regimen. I understand that if I am accepted as a patient by Dr. Dianne Elizabeth Starkey, and Dr. Patrick Starkey I am authorizing them to proceed with any treatment that they deem necessary. Furthermore, any risk involved, regarding chiropractic treatment, will be explained to me upon my request.

Women Only:

To the best of my knowledge I **am / am NOT** pregnant and (**give my permission / don't give permission**) to x-ray me for diagnostic interpretation.
(Circle one above) *(Circle one above)*

The fee will be based on the type of appointment that was scheduled.

Consent to Evaluate and Treat a Minor:

I, _____ being the parent or legal guardian of _____, have read and fully understand the above terms of acceptance and hereby grant permission for my child to receive chiropractic care.

PATIENT FINANCIAL POLICY

Our primary responsibility is to help you experience good health and we wish to spend our time and energy toward that end. In the interest of good health care practice, it is best to establish a financial policy to avoid misunderstanding.

1. **All accounts are due and payable at the time of your visit unless you make satisfactory arrangements with the office manager.**
2. **It is our policy that if we are filing a claim with your insurance company, we will expect you to pay any unpaid deductible as well as the copayment/coinsurance required by your insurance company at the time of your visit.**
3. **Even though you may have an insurance claim pending, you will receive a statement each month for the outstanding balance of your account. We cannot accept responsibility for collecting an insurance claim or negotiating a disputed claim.**
4. **Remember, insurance reimbursement is a contract between you and your insurance carrier. If after 45 days your insurance has not been paid, we will turn to you for payment. You are responsible for your bills regardless of what your insurance pays.**
5. **If for any reason you have an unpaid balance at 60 days past due, we will automatically charge you $5.00 per month on your unpaid balance.**
6. **To better serve all of our patients, we request that you inform us at least twenty-four hours in advance if you need to cancel your appointment. If for any reason you fail to do this, we will bill you (not your insurance company) for an office visit.**
7. **There will be a $25.00 charge on all returned checks, per submission.**
8. **We do not wish to cause you any undue hard ship, however, we must be able to continue our service to the community.**

I have read this financial policy and understand that, regardless of any insurance coverage I may have, I am responsible for payment of my account within the usual limits of this credit policy. I agree that in the event costs and/or fees are incurred in connection with the collection of my account, I will pay all such costs and fees, including collection costs, Attorney's fees and all court costs.
