1. The Field

1-1. The field is a baseball or softball diamond. Wherever possible, the pre-defined boundaries of the park will be used. The field includes the infield diamond with a home plate, first base, second base, and third base, as well as a grassy outfield. The distance between bases shall be roughly 25 paces. The head referee is solely responsible for determining field dimensions.

1-2. There are two home plates, side by side, and two first bases, side by side. The foul line extends between the two bases.

1-3. An imaginary co-ed line, usually marked with cones, exists from first base to third base.

1-4. An imaginary pitcher's line, usually marked with cones, exists 10 feet in front of, and parallel to, the co-ed line.

2. Administration

2-1. Teams must provide one volunteer referee before or after their game at least once per season, according to the latest schedule posted on the website. The volunteer referee will assist the head referee in enforcing the rules.

PENALTY: 1st violation: the team will be assessed -3 runs at the start of their next game; 2nd violation: -5 runs; 3rd and subsequent violations: automatic forfeit of next game.

EXCEPTION: During the playoffs, volunteer referees are not required. The league will provide 2 head referees for each playoff game.

2-2. Games shall last seven innings or 50 minutes (including warm up time) from the scheduled game time, whichever comes first. The head referee will announce it is the last inning at 42 minutes if at the top of the inning. Or, if the game is at the bottom of the inning at 42 minutes, the head referee will announce that the next inning will be the last. The head referee is solely responsible for keeping the official game time.

PENALTY: N/A

2-3. A game is complete if one of the following criteria are met: 1) at least 3 complete innings have been played, 2) the allotted game time has expired. In event that a game is tied after seven innings and the head referee determines there is enough time remaining, additional innings may be played until the allotted game time has expired.

PENALTY: N/A

2-4. The head referee is solely responsible for cancelling a game due to inclement weather or other unforeseen events, such as field lights not turning on or shutting off during a game. Teams may not play in dangerous weather, without field lights, or in any other situation that the head referee determines will compromise player safety or may damage the field. In the event a game is cancelled before it finishes completely, but after 3 complete innings have been played, the score will revert to the last fully completed inning and the game will be considered complete and final.

PENALTY: N/A

2-5. Team captains are responsible for checking the weather hotline to verify whether their game has been cancelled. The weather hotline is 808-753-6718. The league will attempt, but is not required, to contact team captains in the event of game cancellations. Team captains are responsible for contacting their team members to relay information about cancelled games.

PENALTY: N/A

2-6. Cancelled or incomplete games will be rescheduled during designated makeup weeks during the season. The league does not guarantee when or on what day makeup games will occur. In the event of excessive cancelled or incomplete games, not all games may be rescheduled. The league will make every effort to ensure all scheduled games are played, but cannot guarantee all games will be played. Games will not be rescheduled due to player work schedules, sickness, vacations, or other activities, responsibilities, or obligations.

PENALTY: N/A

2-7. Teams must clear their benches/dugouts immediately following the conclusion of their game

PENALTY: The referee may, at his or her discretion, assess an unsportsmanlike conduct penalty.

2-8. There is a maximum of 25 players per team. Additions and deletions from the team roster are allowed until the first week of the season. Only players on the team roster may play in the game (this prevents players unaccounted for on league insurance). All players must sign the waiver form before playing. All players are required to bring a valid picture ID to every game. The league reserves the right to conduct random ID checks for any reason.

PENALTY: 1st offense: Warning. 2nd offense: The team is disqualified from the rest of the season, and may not participate in the playoffs.

2-9. During the game, only team captains are allowed to discuss rules or calls with the head referee. Only the head referee may discuss rules or calls. At no time should any player approach, argue with, or otherwise antagonize volunteer referees.

PENALTY: The referee may, at his or her discretion, assess an unsportsmanlike conduct penalty.

2-10. Teams must inform the league before 12PM on the day of their schedule games in the event they are unable to field the minimum number of players and must forfeit. The league contact information (phone number and/or email address) will be distributed during the captain's meeting before the season begins. A notification of forfeiture is final and may not be reversed.

PENALTY: No penalty is assessed if the opposing team can be contacted to inform them of the forfeit (whether the forfeit was reported on time or not) or if the notification was submitted before 12PM. Otherwise, the league commissioner may, at his or her discretion, remove the forfeiting team from the rest of the schedule, including the playoff tournament.

2-11. The league commissioner and head referees may make changes to these rules at any time to resolve situations that are not directly addressed, for the health and safety of players and/or for the good of the league.

3. Pre-Game

3-1. Teams must have at least 7 players from their own team present at the scheduled game time, including at least two women, to start a game.
