

VETERANS OF FOREIGN WARS AUXILIARY

WAYS AND MEANS

AUGUST 2018

The time is slipping away for those FLAMMING FRIDAY money raffle tickets getting into the hands of winners. Are you interested in \$25.00, \$50.00, or \$100.00? Well then, it's time to purchase one for yourself, buy one for a gift or many gifts or better yet sell them and give other people the same opportunity for cash. I can't think of anyone who isn't into getting cash. Have you taken every opportunity to talk about the wonderful things we do for our veterans with this program?

I NEED TO STRESS THAT THE 15th OF SEPTEMBER IS THE ABSOLUTE DEADLINE FOR THEM TO BE IN THE DEPARTMENT TREASURER'S OFFICE.

Each District should be having an organizational meeting, District meeting, or some other gathering where the money raffle stubs can be collected as a whole district. The National President will be in Wisconsin on August 19 & 20 and Lenny is willing to collect the stubs and an auxiliary check with two signatures in a well prepared sealed envelope. Your District Officers will be doing inspections.....that is another time for you to deliver the stubs and check so we can get them. REMEMBER, NO U.S. MAIL. Dan and I will make arrangements to get them... you just need to sell them. By purchasing even just one money raffle, you are showing you care.....for our organization and for veterans and their families. Thank you!

Contact us or a Department Line Officer for details.
