Who pays?

In all leagues, fees should be paid to officials, in cash (exact change), before the game starts. The manager of each team is responsible for collecting referee fees from each player at the start of the season.

- For U9-U10 In-house/Alliance recreational league games, ONLY THE HOME team will pay the referee (you should have 4 home games to cover the fee.....this is new this year.)
- For MAYSA regular U11-U19 league games, the home team pays for the entire fee (This applies to Middleton United U11 and older teams.)

Feedback regarding referees may be given to The Madison Area Soccer Referee Unit on their website, www.masru.org. Only a coach or a manager may submit feedback to MASRU. Spectators and/or parents should give their feedback only to their own coach.
