Sliding Fee Discount Program

The Sliding Fee Discount Program is a federal program that permits Lincoln Community Health Center to discount normal charges for a medical visit. According to law, it requires two pieces of information in order to qualify: the amount of money earned in the household and the number of people who live in the household. In order to be eligible for the Sliding Fee Scale, you must provide accurate and acceptable proof of income as well as list all persons within the household within 30 days of the date you signed this application or you will be responsible for 100% of all charges. You must report any changes in family income or number of members in the household when these changes occur. Falsification of this information will result in forfeiture of Sliding Fee Scale privileges and possible release from the practice as it is a violation of Federal Law.

Eligibility

All Lincoln Community Health Center patients are eligible to apply for the slide. Determination of the discount, if any, is dependent upon household income and household size in comparison to the current Federal Poverty Guidelines.
