

CHEF ABBEY'S MENU

APPETIZER

Grommelettes

These mini omelettes can only be found on the slopes of Snoqualmie Pass. They have been whipped into shape by the head chef and are ready to return to their owners.

SOUP

RA RA Ramen

Food of champions and poor college students. An ode to the chef's days of being an RA.

MAIN COURSE

Rat-a-tat-too-ie

The newest addition to the chef's menu. The bright and clean flavors will refresh your palette and leave you wanting more.

DESSERT

UW Bananas Foster

This dish is an HR nightmare! The Finance department has approved an unlimited budget for the rum this year, so we're doubling up!

WINE PAIRING

Pierced Pinot Noir

Opens with a slight sting, but ends with a beautiful metallic finish
