

Our Financial Policy

We are dedicated to providing the best possible care for you, and we want you to completely understand our financial policies.

- Payment is due at the time of service unless arrangements have been made in advance by the office. We accept Visa, American Express, Mastercard, and Discover.
- Keep in mind that your insurance policy is a contract between you and your insurance company. As a service to you, we will file your insurance claim if you assign the benefits to the doctor – in other words, if you agree to have your insurance company pay the doctor directly. If your insurance company does not pay the practice within a reasonable period, we will have to look to you for payment. If we later receive a check from your insurer, we will refund any overpayment to you.
- We have made arrangements with many insurance companies and other health plans to accept an assignment of benefits. We will bill them, and you are required to only pay a co-payment **at the time of service**.
- If you are insured by a plan that we do not have a prior arrangement with, our charges for your care will be due **at the time of service**. We can provide you with an itemized receipt for reimbursement.
- Not all insurance plans cover all services. In the event your insurance plan determines a service to be “not covered”, you will be responsible for the complete charge. Payment is due upon receipt of a statement from our office.

I have read and understand the practice’s financial policy and I agree to be bound by its terms. I also understand and agree that such terms may be amended by the practice from time to time.
