

CURRICULUM VITAE
STEVEN LEE PROCTOR, Ph.D.

www.PROHealthGroup.net

214 Washington Avenue | Miami Beach, Florida

+1-305.814.7762 | sproctor@prohealthgroup.net

Education & Training

Certificate in Entrepreneurship, Yale University, Innovation to Impact, New Haven, Connecticut, 2018.

Postdoctoral Fellowship, G.V. (Sonny) Montgomery VA Medical Center (APA-accredited), Addictive Disorders Emphasis Area, Veterans Health Administration, U.S. Department of Veterans Affairs, Jackson, Mississippi, 2015.

Ph.D., Louisiana State University (APA-accredited), Baton Rouge, Louisiana, Clinical Psychology, 2014.

Predoctoral Clinical Residency, Metropolitan Detention Center (APA-accredited), Federal Bureau of Prisons, U.S. Department of Justice, Los Angeles, California, 2014.

M.A., Western Carolina University, Cullowhee, North Carolina, Clinical Psychology, 2009.

B.S., Appalachian State University, Boone, North Carolina, Psychology (with Honors), 2007.

Licensure & Certification

2017 – Present Licensed Psychologist. State of Florida (PY10022).

Scientific/Academic Positions

2015 – Present Founder & Principal. PRO Health Group.

2019 – Present Senior Health Outcomes Advisor. Thriving Mind | South Florida.

2017 – Present Chief Research Officer. AiRCare Health.

2016 – 2019 Senior Research Professor. Albizu University.

Awards & Honors

2019 Rising Star Award, Association for Psychological Science.

2019 Kentucky Colonel, Governor of Commonwealth of Kentucky.

2018 New Investigator Award, American Society of Clinical Psychopharmacology.

2018 Yale University Innovation to Impact Addictions Entrepreneurship Fellow.

2018 National Institute on Drug Abuse (NIDA) Young Investigator Travel Award, American Society of Addiction Medicine.

2016 Faculty Research Development Award, Albizu University.

2012 Humanities & Social Sciences Summer Research Funding Award, Louisiana State University.

2012 Phi Kappa Phi Honor Society.

2012 *Mental Health & Substance Use* Essay Competition (1st Prize).

- 2011, 2012 Outstanding Student Award (Certificate of Merit), American Psychological Association, Division 18 – Psychologists in Public Service.
- 2011 – 2016 Invited attendee & travel award, Cape Cod Symposium on Addictive Disorders.
- 2011 Sigma Xi Scientific Research Society, Full Member.
- 2011 – 2017 Invited attendee & travel award, West Coast Symposium on Addictive Disorders.
- 2011 American Psychology-Law Society Student Travel Grant.
- 2010 – 2012 Louisiana State University Graduate School Student Travel Grant.
- 2009 Pearson Assessments Research Assistance Program Award.
- 2009 Best Research Paper Award (Social Sciences), 17th Annual Western Carolina University Graduate Research Symposium.
- 2009 Pi Gamma Mu International Honor Society in Social Sciences.
- 2008 Best Research Paper Award (Overall Winner), 16th Annual Western Carolina University Graduate Research Symposium.
- 2007 Psi Chi International Honor Society in Psychology.
- 2005, 2006 Southern Conference (SoCon) Student-Athlete Academic Honors (Baseball).

Employment History

- 2019 – Present Senior Health Outcomes Advisor. Thriving Mind | South Florida.
- 2015 – Present Founder & Principal. PRO Health Group.
- 2016 – 2019 Senior Research Professor. Albizu University. Institutional Center for Scientific Research.
- 2015 – 2016 Assistant Professor. Albizu University. Department of Psychology.
- 2014 – 2015 Postdoctoral Fellow. Veterans Health Administration.
- 2013 – 2014 Psychology Intern. Federal Bureau of Prisons.
- 2012 – 2013 Graduate Assistant. Louisiana State University. Psychological Services Center.
- 2010 – 2012 Adult Psychology Extern. Earl K. Long Medical Center.
- 2009 – 2010 Teaching Assistant. Louisiana State University. Department of Psychology.
- 2009 Youth Care Worker. Mountain Youth Resources.
- 2008 Teaching Assistant. Western Carolina University. Department of Psychology.
- 2007 Graduate Assistant. Western Carolina University. Counseling and Psychological Services Center.

Consulting Experience

Organizations/Agencies: U.S. Navy; Danya International; U.S. Department of Health and Human Services; CRC Health Group; Yalnız Değiliz (Turkey); Thriving Mind South Florida/South Florida Behavioral Health Network; The New York Times; AiRCare Health; BrightView; Guidepoint Global; Institute for Research, Education, & Training in Addictions; The Change Companies; NineSigma North America; Satori Waters; LakeHaven Recovery Center; C4 Recovery Foundation.

◆ Selected Consultations

- 2019 – Present **Senior Health Outcomes Advisor. Thriving Mind | South Florida, South Florida Behavioral Health Network, Inc.**
 Thriving Mind is a non-profit managing entity responsible for administering \$90M in state funding from the Department of Children and Families for mental health and substance use disorder treatment and prevention services for uninsured and underinsured residents of Miami-Dade and Monroe (Florida Keys) Counties. Thriving Mind curates a vast network of community agency providers, delivers care coordination, and conducts quality improvement initiatives for the southern region of Florida. Reports directly to Chief Executive Officer. Specific duties include leading and coordinating outcomes

analysis and evaluation projects, and collaborating with network agencies to develop and implement meaningful outcomes monitoring systems including key metrics and performance indicators.

2019

Outcomes Consultant. BrightView Health.

BrightView is a multi-site addictions treatment system offering comprehensive outpatient and intensive-outpatient treatment services, including medication treatment (MAT) for individuals with opioid use disorder, at over a dozen facilities across Ohio. Developed a valid and reliable patient monitoring system capable of documenting treatment outcomes and providing clinically meaningful and actionable data to be used to inform clinical care, quality improvement purposes, and future research studies for publication in peer-reviewed scientific journals. Conducted needs assessment to evaluate existing assessment practices, developed personalized measurement-based outcomes monitoring system compliant with national standards (e.g., The Joint Commission), and prepared final report with detailed recommendations for routine practice and implementation.

2017 – Present

Chief Research Officer. AiRCare Health.

AiRCare Health is an international provider of cloud-based disease management care coordination solutions for chronic behavioral health conditions. Reports directly to Chief Executive Officer. Provides vision, leadership, and direction for all research-related activities in accordance with the mission of AiRCare. Specific duties include designing, leading, and coordinating research and evaluation studies of AiRCare's services; determining and informing the scientific direction of AiRCare; analyzing large administrative claims data sets and conducting appropriate statistical analyses; disseminating research findings to scientific community and public in the form of peer-reviewed scholarly articles and professional conference presentations; and recommending and assisting in the implementation of research procedures and policies which serve to improve AiRCare's operations.

2016 – 2018

Director of Research and Outcomes Studies. Satori Waters.

Satori Waters is a drug and alcohol addiction treatment system offering a full continuum of care with multiple locations across south Florida. Designed, implemented, and managed all treatment outcomes studies and related research activities across four residential treatment centers. Additional duties included development of key outcomes and indicators, oversight of data collection, data analysis, and quarterly reporting to inform surveillance efforts, evaluate outcomes, and improve quality of care.

2015 – 2017

Research and Evaluation Consultant. AiRCare Health.

AiRCare Health offers a number of outsourced disease management solutions including individualized care plan management for patients transitioning from acute to continuing care. Evaluated effectiveness of AiRCare™—a protracted telehealth and coordinated care plan management program—on adherence to continuing care plans and maintenance of abstinence from alcohol or illicit drugs among patients discharged from primary residential treatment. Assisted in development and writing of AiRCare™ treatment manual, and published scientific articles in peer-reviewed journals.

2012 – 2014

Research and Evaluation Consultant. CRC Health Group, Inc.

CRC Health Group is a national provider of treatment and educational programs for adults and adolescents with behavioral health issues. Evaluated effectiveness of all medication treatment programs for opioid-dependent patients prescribed methadone or one of two sublingual formulations of buprenorphine. Projects identified various demographic, clinical, and treatment variables associated with differential outcome expectations for certain subgroups of patients. Wrote White papers on select clinical

training topics of interest, as identified by Chief Clinical Officer, and published scientific articles in peer-reviewed journals.

- 2008 – 2014 **Research and Evaluation Consultant. The Change Companies.**
The Change Companies is a national publishing, consulting, and training organization that develops evidence-based materials and curricula for use in the fields of prevention, treatment, impaired driving, criminal justice, and health care. Evaluated both efficacy and effectiveness of Interactive Journaling® in reducing various problematic behaviors (e.g., criminal recidivism, high-risk drinking) among select high-risk populations (i.e., local jail inmates and mandated college students) with substance use issues, and published scientific articles in peer-reviewed journals.

Research Experience

♦ Selected Research Projects

- 2016 – 2018 **Director. Residential Addictions Treatment Discharge Outcomes Monitoring System.**
Longitudinal multi-site naturalistic treatment outcomes evaluation project. Patients were contacted at pre-determined follow-up intervals through 12 months post-discharge from primary treatment episode and administered telephone-based structured interviews to document substance use in addition to improvements in health and social functioning as well as reductions in threats to public health and safety. Patients were assessed for relevant relapse risk indicators (craving, readiness to change, motivation, etc.) and outcomes from pertinent domains of functioning (health care utilization, occupational functioning, legal involvement, quality of life, etc.) were documented.
Agency: Satori Waters/LakeHaven Recovery Center.
- 2015 – 2016 **Principal Investigator. Naturalistic Evaluation of a Protracted Recovery Assistance Program.**
Longitudinal evaluation investigated effectiveness of 12-month telephone-based care plan management program for substance-dependent patients discharged from primary residential treatment on a number of clinical outcomes, including patient adherence to continuing care plans, quality of life, re-admission to any residential level of care, and abstinence from alcohol and illicit drugs.
Agency: AiRCare Health.
- 2012 – 2014 **Principal Investigator. Evaluation of CHOICES About Alcohol: A Brief Alcohol Abuse Prevention Program.**
Randomized controlled trial investigated efficacy of *Interactive Journaling*® in reducing alcohol use and alcohol-related problems among college students mandated by campus officials to participate in brief alcohol intervention due to violation of university policies on alcohol use.
Agency: Louisiana State University, Humanities & Social Sciences Summer Research Funding Award.
- 2009 – 2012 **Co-Investigator. Validation of the Minnesota Multiphasic Personality Inventory-2-Restructured Form (MMPI-2-RF) Substance Abuse Scale.**
Investigated clinical utility and validity of the MMPI-2-RF Substance Abuse scale in identifying cannabis use problems and behaviors among undergraduate college students with and without a cannabis use disorder.
Agency: Pearson Assessments Research Assistance Program Award.

2010 – 2011 **Project Coordinator. *Ecological Momentary Assessment of Predictors of Lapse and Abstinence during Marijuana Quit Attempts.***

Investigated immediate antecedents of marijuana use among adult community members undergoing a marijuana quit attempt utilizing ecological momentary assessment to monitor and collect daily ratings of marijuana craving, negative affect, coping strategies, and marijuana use.

Agency: Louisiana State University, Office of Research & Economic Development.

2008 – 2009 **Co-Investigator. *Journaling to Improve Treatment Engagement and Reduce Recidivism (JITERR).***

Randomized controlled trial investigated effectiveness of *Interactive Journaling*[®] in reducing criminal recidivism among county jail inmates with substance use disorder.

Agency: The Change Companies.

♦ **Grant Funded Projects**

2019 – 2022 **Justice and Mental Health Collaboration Program. Bureau of Justice Assistance, Office of Justice Programs, U.S. Department of Justice.**

Project Title: *Miami-Dade County Justice and Mental Health Collaboration Program Implementation Initiative: Data Access & Collaboration on Treatment Alternatives (DACOTA)*

Role: Lead Evaluator (Miami-Dade Police Department); Status: Funded.

2019 – 2020 **Florida Blue Foundation, Blue Cross Blue Shield Association.**

Project Title: *Miami Center for Mental Health and Recovery: Needs Assessment, Pilot Study and Fundraising Feasibility Study*

Role: Data Analytics Director (PI: Newcomer); Status: Funded.

2019 – 2022 **National Institute of Mental Health (NIMH), National Institutes of Health (NIH).**

R34 Project Title: *Adaptation of an Evidence-based Interactive Obesity Treatment Approach (iOTA) for Obesity Prevention in Early Serious Mental Illness: iOTA-eSMI*

Role: Consultant (PIs: Nicol, Newcomer); Status: Funded.

2019 – 2021 **Eunice Kennedy Shriver National Institute of Child Health and Human Development (NICHD), National Institutes of Health (NIH).**

Project Title: *Long-term Antipsychotic Pediatric Safety Trial (LAPS)*

Role: Sub-Investigator (Site PI: Newcomer; Study PI: Watt); Status: Funded.

♦ **Grant Projects Under Review or In Preparation**

2019 **Victims of Crime Act (VOCA) Victim Assistance Program. Office of the Florida Attorney General, Division of Victim Services and Criminal Justice Programs.**

Project Title: *Trauma Recovery Center Network for Miami-Dade and Monroe Counties*

Role: Program Director (PI: Newcomer); Status: Submitted.

- 2019 **Small Business Innovation Research Grant (SBIR), National Institute on Drug Abuse (NIDA), National Institutes of Health (NIH).**
R43 Project Title: *PROCare: Cloud Process Support for Opioid Recovery Participation and Learning*
Role: Principal Investigator (Co-PI: Tien); Status: Submitted.
- 2019 **Center for Substance Abuse Prevention, Substance Abuse and Mental Health Services Administration (SAMHSA).**
Project Title: *Thriving Mind Strategic Prevention Framework Project*
Role: Lead Epidemiologist (PI: Casetellanos); Status: Submitted.
- 2019 **National Institute of Mental Health (NIMH), National Institutes of Health (NIH).**
R34 Project Title: *Community-Wise Solutions for Healthy Communities: Testing the Use of Systems Science Methods to Drive Community-Wide Alignment for Mental Health*
Role: Consultant (PI: Hassmiller Lich); Status: In preparation.

Clinical Experience

2014 – 2015 **Postdoctoral Fellowship. G.V. (Sonny) Montgomery VA Medical Center, Addictive Disorders Emphasis Area, Veterans Health Administration, U.S. Department of Veterans Affairs.**

Primary clinical training rotations included the *Addictive Disorders Treatment Program* (ADTP) and the *Substance Use and Posttraumatic Stress Disorder Treatment Program* (SUPT).

- ◆ ADTP offers treatment services for Veterans diagnosed with substance use disorders across multiple levels of care, ranging from standard outpatient treatment to 16-bed residential program. Clinical responsibilities within Substance Abuse Residential Rehabilitation Treatment Program included conducting comprehensive biopsychosocial assessments, serving as Treatment Coordinator (i.e., intensive case manager) for individual patients, participating in weekly interdisciplinary treatment

team meetings, and providing individual and group therapy services. Group therapy services included facilitating mindfulness-based and cognitive-behavioral relapse prevention skills groups. Clinical responsibilities within outpatient program included providing individual therapy for patients with co-occurring disorders and facilitating weekly cognitive-behavioral anger management group.

Clinical Supervisors: Daniel C. Williams, Ph.D.; Andrew C. Voluse, Ph.D.

- ◆ SUPT Program provides assessment and treatment to Veterans with co-occurring substance use and PTSD. Individual and group-based interventions are available for Veterans who have experienced combat and/or other traumas (e.g., child abuse, military sexual trauma). Conducted routine intake assessments and provided individual and group therapy using exposure-based and cognitive processing approaches for PTSD, as well as 12-step and cognitive-behavioral therapy for substance use disorders.

Clinical Supervisor: Kevin M. Connolly, Ph.D.

2013 – 2014 **Predoctoral Clinical Residency. Metropolitan Detention Center–Los Angeles (MDC-LA), Federal Bureau of Prisons, U.S. Department of Justice.**

Primary clinical training experiences included rotations in the specialty areas of *Forensic Evaluation, Severe Mental Health, and General Population.*

- ◆ **Forensic Evaluation.** Psychology Services at MDC-LA is designated as one of the Forensic Study Centers in the Federal Bureau of Prisons system. Conducted court-ordered forensic evaluations on inmates from all over the country and wrote comprehensive psychological reports using multi-method approach to opine competency to stand trial, criminal responsibility during the commission of an offense, and other evaluation questions posed by the court. Evaluations involved the administration and interpretation of a full battery of tests, including measures of intelligence, personality, achievement, effort, psychopathy, malingering, and neuropsychological and legal competency functioning.

Clinical Supervisor: Lisa Hope, Psy.D.

- ◆ **Severe Mental Health.** The Severe Mental Health rotation focused primarily on inmates housed on Special Programs Unit (SPU), which serves as placement for inmates on formal suicide watch precaution status and inmates diagnosed with severe mental illness or medical conditions that require increased supervision or monitoring than afforded on general population housing unit. Conducted routine mental status evaluations and suicide risk assessments, and provided crisis intervention, case management, and brief psychotherapy in preparation for successful transition to general population housing, if applicable. Facilitated various cognitive-behavioral groups, managed all operations for telepsychiatry clinic for inmates in need of pharmacological intervention, and provided consultation to correctional staff concerning conflict negotiation and resolution, suicide prevention, and management of inmates with severe mental illness. Group therapy services included life skills psychoeducational group for inmates with severe mental illness as well as all drug and alcohol use programming in the institution.

Clinical Supervisor: Samantha Shelton, Psy.D.

- ◆ **General Population.** The General Population rotation focused primarily on the provision of general mental health services to inmates. Screened and assessed mental health needs of newly admitted inmates, referred inmates for psychiatric consultation, conducted brief supportive counseling for adjustment concerns, provided crisis

intervention and case management, and responded to inmate requests to staff for mental health services. Provided consultation to correctional and medical staff, facilitated the Psychology Services module of the Admissions & Orientation Program for designated inmates, provided in-service trainings for staff, managed the institution's Suicide Prevention Program, and served as panel member for pre-employment interviews for the institution.

Clinical Supervisor: Rebecca Delgado, Psy.D.

- 2012 **Clinical Practicum. St. Christopher's Addiction Wellness Center.**
Conducted intake evaluations of new admissions presenting for detoxification and/or residential addictions treatment and communicated with insurance companies regarding reimbursement for treatment services. Co-facilitated daily 12-step group therapy for residential treatment patients.
Clinical Supervisors: Arlene Magee-Gann, LPC; Amy L. Copeland, Ph.D., M.P.
- 2011 – 2013 **Clinical Practicum. Louisiana State University Psychological Services Center.**
Conducted intake evaluations, administered psychological tests, wrote comprehensive reports, and provided individual therapy for students and community members with various psychological disorders. Conducted alcohol assessments and implemented brief motivational interventions (BASICS; CHOICES) for mandated high-risk college student drinkers referred due to violation of university policies on alcohol use.
Clinical Supervisor: Amy L. Copeland, Ph.D., M.P.
- 2010 – 2012 **Clinical Practicum. Earl K. Long Medical Center, Louisiana State University Health Sciences Center.**
Conducted outpatient psychological assessments and inpatient consultations upon physician referral. Wrote comprehensive reports for specialty medical treatment teams and provided individual therapy for patients with various mental health conditions.
Clinical Supervisor: Glenn N. Jones, Ph.D., M.P.
- 2010 – 2012 **Clinical Practicum. Louisiana State University Mid-City Clinic, Louisiana State University Health Sciences Center.**
Conducted psychological assessments and provided individual therapy for patients presenting for early-intervention HIV treatment. Screened patients for HIV dementia and various mental health conditions, assessed patient competence and suicidal/homicidal risk, and constructed treatment plans as part of integrated HIV treatment team.
Clinical Supervisor: Glenn N. Jones, Ph.D., M.P.
- 2009 – 2011 **Clinical Practicum. Anxiety and Addictive Behaviors Clinic, Louisiana State University Psychological Services Center.**
Conducted intake evaluations, wrote comprehensive reports, and provided individual therapy for students and community members with anxiety and/or addiction-related issues. Facilitated weekly substance use disorder group for victims displaced to Baton Rouge by Hurricane Katrina through Neighbor's Keeper, a non-profit organization that works with Capital Area Alliance for the Homeless.
Clinical Supervisor: Amy L. Copeland, Ph.D., M.P.
- 2009 **Youth Care Worker. Hawthorn Heights, Mountain Youth Resources.**
Hawthorn Heights is an emergency residential care and treatment center for adolescents in need of short-term, out-of-home care for either protection, planning, crisis

intervention, family conflict resolution, and/or behavior stabilization. Supervised residents, implemented behavior modification program, and provided assistance in goal-setting, communication, and decision-making skills for residents. Facilitated weekly group therapy focused on providing residents with appropriate coping, communication, and emotion regulation strategies.

Clinical Supervisor: Erika Geary, MSW, LCSW

2008 – 2009 **Clinical Research Assistant. Buncombe County Detention Facility.**

Conducted routine clinical assessments of county jail inmates screened to be at high-risk for substance dependence to address co-occurring mental conditions and identify those in need of case management services.

Clinical Supervisor: Norman G. Hoffmann, Ph.D.

2008 **Clinical Practicum. Charles George VA Medical Center, Veterans Health Administration, U.S. Department of Veterans Affairs.**

Primary clinical training rotations included *Inpatient Psychiatry* and *Primary Care Mental Health Integration*. Conducted outpatient intake interviews for Veterans referred by primary care, participated in inpatient medical rounds, and administered full battery of psychological tests for Veterans admitted to inpatient unit. Assessments included measures of intelligence, achievement, personality, memory, and neuropsychological functioning.

Clinical Supervisors: Arthur Horn, Ph.D.; Geoffrey Urbaniak, Ph.D.

Teaching Experience

2018 **Course Instructor.** Albizu University. Human Services Department. *Advanced Research Methods Seminar* (graduate).

2018 **Guest Lecturer.** Albizu University. Department of Psychology. *Compulsive and Addictive Behaviors* (graduate).

2017 – 2018 **Course Instructor.** Albizu University. Department of Psychology. *Substance Use, Abuse, & Dependence* (undergraduate).

2016 **Course Instructor.** Albizu University. Department of Psychology. *Theories of Tests & Test Construction* (graduate).

2016 **Course Instructor.** Albizu University. Department of Psychology. *Case Discussion Seminar* (graduate).

2010 **Teaching Assistant.** Louisiana State University. Department of Psychology. *Psychological Testing & Measurement* (undergraduate).

2009 **Teaching Assistant.** Louisiana State University. Department of Psychology. *Applied Behavior Analysis* (undergraduate).

2008 **Teaching Assistant.** Western Carolina University. Department of Psychology. *Behavior Modification* (undergraduate).

- 2016 – 2019 **Organizer. Research Colloquium Series. Institutional Center for Scientific Research, Albizu University.**
- 2015 – 2019 **Program Chair/Organizer. Annual South Florida Student Research Symposium.**
Organized, coordinated, and oversaw all operations of inaugural and subsequent meetings of *South Florida Student Research Symposium*, hosted annually by Institutional Center for Scientific Research at Albizu University in Miami.
- 2015 **Committee on Attrition Prevention. Albizu University.**
Developed structured attrition questionnaire and subsequently conducted telephone interviews to assess primary reasons for dismissal/withdrawal from doctoral program in

clinical psychology and describe the demographic characteristics for all graduate students who failed to complete program in preceding five years. Survey responses were aggregated for data analysis and presented in final summary report for APA site visit.

- 2015 **Psychology Faculty Search Committee. Albizu University.**
- 2013 – 2016 **Co-Organizer. Graduate Student & Early Career Researcher Competition. C4 Recovery Foundation.**
Created, coordinated, and supervised inaugural and subsequent graduate student and early career investigator research competitions at annual meetings of the *Cape Cod Symposium on Addictive Disorders* and *West Coast Symposium on Addictive Disorders*. Solicited submissions, set program schedule, convened expert judging panel, and assisted in selection of overall winner and honorable mention award recipients.
- 2012 – 2017 **Co-Chair. Research Committee. C4 Recovery Foundation.**
C4 Recovery Foundation is dedicated to improving the accessibility, effectiveness, efficiency, and accountability of addictions treatment services. Research Committee was formed to promote and increase submission of outcomes-based empirical research proposals to C4's annual conferences.
- 2012 – Present **Reviewer. Program Committee, Society of Clinical Psychology (Division 12). American Psychological Association (APA) Annual Convention.**
- 2010 – 2015 **Student Representative/Appointed Early Career Representative. Advocacy & Policy Committee. Society of Addiction Psychology (Division 50), American Psychological Association.**
Advocacy & Policy Committee is a permanent committee of APA Society of Addiction Psychology composed of practitioners, researchers, educators, students, and policy makers. Committee is dedicated to advocating for improved addiction-related legislation, policies, and responses with goal of organizing division members to be more active in local, state, and federal advocacy-related activities.
- 2009 – 2010 **Project Coordinator. Forensic Psychology Postdoctoral Fellowship Training Programs. American Psychology-Law Society (AP-LS; Division 41), American Psychological Association.**
Project conducted in collaboration with Teaching, Training, and Careers Committee of AP-LS, which collected and consolidated information for individuals interested in pursuing specialized postdoctoral training in forensic psychology. Collected data, prepared manuscript for publication, and developed resource directory for AP-LS.
- 2007 – 2008 **Project Coordinator. Center for the Study of Collegiate Mental Health (CSCMH).**
CSCMH is a national collaborative health informatics initiative for centers of mental health treatment on college campuses. Project coordinator and assistant to clinical director of Western Carolina University's Counseling & Psychological Services Center. Provided in-service trainings to ensure staff development for CSCMH program readiness.
