A fire extinguisher MUST be fitted to the vehicle as per standard requirements of the current CAMS Manual of Motor Sport. The minimum requirement is 0.9kg capacity, be fully charged, securely mounted and easily accessible to the driver. Apparel, including helmets, must comply with Schedule D of the current CAMS Manual of Motor Sport. A CAMS approved helmet must be worn by all drivers while competing in this event. The preferred driver clothing is single layer driving suit, however ankle to wrist non-synthetic/non-flammable clothing is recommended to be worn (including closed in non-synthetic shoes) at all times when competing. This apparel must be produced at scrutiny for checking. Particular heed will be taken to battery security, roadworthy condition of suspension, roll bars, seat belts, safety harness and tyres as per current NCRs. Approved crash helmets and eye protection (not sunglasses) are required for all non-production or open vehicles. All vehicles must be fitted with an effective exhaust silencer system at all times. The maximum noise emission permissible is 95db(A)

Fuel must comply with Schedule G of the current CAMS Manual of Motor Sport

An approved CTP notice, with the name of this event inscribed on it (Gravel and twilight Khanacross) must be presented for all Queensland road registered vehicles that are competing.

A vehicle that is registered in the State of Queensland **cannot** have its registration plates removed (i.e. – classified as an unregistered vehicle) and compete without a valid CTP insurance notice.

All vehicles must be leak free and for bitumen event vehicles must have Glycol free coolant or water. Coolant will be tested at scrutineering.

11. Timing

Manual or electronic timing shall be used. Timing shall start at the competitors own time, when the driving wheels begin to turn and cease when the foremost part of the vehicle crosses the finish line.

12. Tests

The event will consist of a minimum of 2 courses consisting of 2 runs per course, subject to the ground condition of each course. The surface consists of gravel and hard packed earth. Starting and finishing procedures for each run must comply with that stated in Article 11 of the Khanacross Regulations.

A reconnaissance or sighting convoy will be conducted before each test. Note: Where a test or course is only differentiated from another test or course by relocation of the start and finish garages, one (1) reconnaissance or sighting convoy may be conducted in respect of both courses on the proviso that both sets of garages are erected and marked appropriately.

13: Penalties

The penalties shall be awarded in accordance with CAMS Motorkhana Code and the Queensland Addendum. Protests must be lodged in accordance with Part XII of the current CAMS Manual of Motor Sport. Appeals must be made in accordance with Part XIII of the current CAMS Manual of Motor Sport.

Nominated Officials shall be deemed Judges of Fact with respect to the application of penalties as specified under CAMS Khanacross Regulations of the current CAMS Manual of Motor Sport.
