**SPECIAL NOTE ~ New HBPOA Membership Meeting place:
Hernando Beach Yacht Club - 4163 Shoal Line Blvd.**

PRESIDENT'S MESSAGE

Indoors or out, no one relaxes in March, that month of wind and taxes, the wind will presently disappear, the taxes last us all the year. ~ Ogden Nash

March Madness, tax preparation, getting the lawns, shrubbery, trees and gardens ready for the growing season are here! March has its own frenetic pace – kind of like a slow trot out of February's winter into glorious Spring! I'd like to dedicate this month's President's Message to Joe Wachs. I met Joe at our first HBPOA meeting when he asked for help with the Christmas Lights the HBPOA hoists every December to light up Shoal Line Blvd. Joe is a combat veteran of the Vietnam Conflict, member of the 82nd Airborne and Forward Air Combat Controller and VFW Post 9236. His actions were integral to bringing air power to bear on enemy positions to win the day and save American soldiers' lives.

Thank you, Joe, God Bless you and Nancy.

In this issue we published the minutes from our February General Membership Meeting. Please read them and if you have any questions or edits, please forward them to me. I'll be glad to answer them promptly. Our Guest Speaker for February was Mr. Chris Linsbeck. He is the Hernando County Community Services Director. As the Director he plans, develops, and manages the Community Services Departments of Hernando County. The departments are Parks and Recreation, Library Services, Animals services, Veterans Services, and County Extensions. His presentation covered just about all 24 Parks in Hernando County but here's the status of a couple in our area. Boat ramp management will be

consolidated under a master plan. Jenkin's Creek Fishing Pier will be replaced and the boat ramp upgraded – still under design so it's a long way out. Good news on Linda Pedersen Park boardwalk-should be open March first. That's great because Swamp Fest runs 3-5 March! Veteran's Park is getting an improved Veteran's Memorial that'll be more front and center and accommodating to our disabled veterans. While not near Hernando Beach, Chris mentioned the Brooksville "Art in the Park" which runs March 11<sup>th</sup> and 12<sup>th</sup>. I went last year; it was full of incredible artists and a delightful event. As you can read, Chris has a lot on his plate – His new program "Adopt-a-Park" will enable community groups to lend a hand. All they must do is host four cleanup activities a year for two years. Adopted parks will have a sign displayed with the organizations name or acronym. If you're interested in being the HBPOA Lead Liaison and engaging the community to support adopting one of our local parks (Linda Pedersen and Rogers Park are still available) contact the Parks office at (352) 754-4027 to get more details.

The Board of County Commissioners (BOCC) held a Planning Retreat at the Chinsegut Hill Conference Center. Trip Advisor highlights this historic site located on one of the highest points in Florida. The home, centered on a 114-acre preserve, provides scenic views and an excellent presentation of prehistoric occupation to pioneer settlers and a Civil War era agrarian plantation. While I was there, busloads of children visited to study the many placards describing life on the site. I encourage our membership to visit this interesting Hernando County feature. The BOCC agenda for the day included impact fees and transportation, economic development, parks and recreation, development standards and code enforcement.

Shoal Line Blvd traffic management was on the transportation discussion. Why? Density is the reason – traffic management to accommodate increased business activity, pedestrians, and special events (Front Porch Art Walk, Wing Eating Competition, Chili Cookoff etc.) By no means is this 100 percent accurate but by driving around and using the 2020 Census report and internet we captured the following. Shoal Line Blvd from Petit Lane to the North entrance to Hernando

*Hernando Beach Residents*

(Continued from page 3)

Beach South measures almost 1.4 miles. On this 1.4 miles are 7 entrances from housing areas that provide access to some of our 2500+ residents who, on average have 2 cars. The access roads are Petit Lane, Caliente St., Gulfview Dr., Companero Entra, Hermosa Blvd. and Bluefish Dr. Our business district of Shoal Line Blvd includes Caliente St. to the Captains House. Adding the length of Caliente St., we can say it's 1.4 plus miles. This area has 9 Bars / Restaurants, over 10 auto, boat, recreational vehicle storage areas, 5 marinas, 3 boat rental locations, fishing equipment store, canvas repair store, fishing charter, VFW with bar/restaurant, a fire station, a gas station, over 5 realtor offices, a landscape equipment storage area, an auto repair, a dock builder equipment display and storage area, a Dollar General, 4 shops for clothing, beach goods and or art plus countless other business you can find online that operate from their home in Hernando Beach. Not to mention public boat ramps and parking lots and 1 entrance to the Preserve (soon to be 2 with parking). Speed limits, signage, parking, and enforcement were discussed. The BOCC will finalize their discussions and pub-

licize their decisions at the next meeting.

Triangle Park was not discussed. I should have some notes for you regarding my discussions with Mr. Scott Herring regarding the Triangle on Feb. 23<sup>rd</sup>. Mr. Herring is the Hernando County Public Works Engineer. We'll see you at the next HBPOA meeting at the Yacht Club – be sure to attend!

Bill Roberts – President, Love where you live – Hernando Beach.

### **MARCH GUEST SPEAKER CARMEN BRUNO**

## Chase N Tails Fishing Charters

Capt. Josh Fritz 352-345-9304 Hernando Beach FL

### FEBRUARY FISHING REPORT

Sheepshead action is great on the rock piles in 8-35 feet of water. Live or dead shrimp is the ticket for catching them. I like to rig them on a jig head 1/8-1/2 ounce, pinch the tail off and thread from the tail end to the head.

In the deeper water mangrove snappers are very plentiful along with some nice hogfish.

Inshore the redfish are holding on to hard bottoms; live shrimp or pinfish are working well. Trout are still back in the creeks but should be working their way to the flats soon.

– Captain Josh Fritz

Capt. Joshua Fritz is a Native Floridian fishing the local waters of the Gulf Of Mexico, Capt. Josh is a 25 ton licensed and fully insured guide. Capt. Josh knows these waters inside and out with over 25 years of boating knowledge. Capt. Josh is very well know in the fishing world and is professional and friendly, come aboard with Capt. Josh and lets catch some fish.

(Continued from page 9)

expense of additional traffic management measures. Bill said he would provide over 295mb photos and word documents summarizing each accident at the Triangle. His data to the Sheriff included damages, date of event, the FHP or HCSO response. He added that he included a request for an engineering study for warning rumble strips to alert drivers to the hazardous turn ahead and asked for assistance with repairs from the county to address damage caused by hit and run accidents.

f)**GAC Report** was provided by Chuck Greenwell. He emphasized that the HBPOA is not just a homeowner's association it is a property owners association and that includes businesses, we want business to join – together we are stronger. Of note, the Osowaw Sewage plant is closed – Chuck and Diane had the honor of “turning the valve closed” thus ending several years of processing now handled by the Hernando County Plant out by the Veterans Expressway. Why close it? By doing so it cut 46,000 lbs. of nitrogen per year that ended up in the Weeki Wachee River Shed. The GAC is working to find out what happened to the money for the Caliente Street drainage/sewage project. The Nature Coast Aquatic Preserve of Citrus, Hernando and Pasco is looking for a home. When you see our community representatives, recommend they try to get the headquarters here in Hernando Beach.

#### **8:00pm. New Business**

1. By Laws Review: membership submitted several recommendations including a) change the cut off dates for membership to the end of January. Discussion followed and membership input captured. Denis Polyn made a motion to maintain membership Jan 1 to Dec 31 with an added line in the Bylaws “If someone pays at the first meeting, they still have voting rights.” Second by Chuck Greenwell. Voted. All in favor, motion passed.

2. The HBPOA is participating in the Greater Hernando County Chamber of Commerce 49th Annual Student Recognition Program. Pat Crowley spoke of the encouraging impact this has on the deserving students. In addition, Hernando Beach's image will be positively recognized by all around the county. Motion to sponsor two \$500.00 scholarships for a total of \$1000 by Barb Gossett, seconded by Diane Ziemi, unanimous approval, motion passed.

In President Bill Roberts' absence, VP Joan Puls appointed James Fournier as head of the Committee for Community Involvement. His first action is to pull together the first ever HBPOA Fishing Tournament. He's looking for 3 to 4 volunteers to help.

**HOSPITALITY COMMITTEE**

By: Judith Hughes

Hello Hernando Beach

As we begin writing this on February 1, 2023 for your March Beachcomber, we are reminded that we have been writing these articles for nearly two years. It is hard to believe that your Hospitality Team began with just a few dedicated HBPOA Gals with the hope of bringing you a few socials throughout the HBPOA year. We will be at the HBPOA meetings to greet you, answer your questions, etc.

HBPOA meetings have recently moved to the Hernando Beach Yacht Club and have incorporated a very nice time for social interaction prior to and after our meetings. Getting to know our neighbors through these meetings leads to a great community in which we live called Hernando Beach. The ladies of Hernando Beach have gathered each month for a Hernando Beach Ladies Breakfast. This is an independent group of women who just want to gather monthly, meet new friends, find common interests, and have an occasional outing. If you have an interest in this, stop by at the greeters desk at a meeting and we will put you on our contact list. If you have an interest in beginning another group, cards, theater, etc, just let us know.

We love our Hernando Beach neighbors. This writer can speak from personal experience. I had a need to put out a "call for help" to have an impaled owl removed from my car's grill. One of our neighbors answered the call within a few minutes and came to the rescue. This expresses the kindness of Hernando Beach residents.

One new aspect of Hernando Beach is a "Front Porch Art Walk" held the first Saturday of each month. The inaugural one was held in February and it was a great success.

THOUGHT FOR 2023: ...GET TO KNOW YOUR NEIGHBORS.... If you see that a home has change hands or if you see a new home on your street, welcome the new residents and let them know what you like about Hernando Beach and invite them to an HBPOA meeting. We all need to make an effort to say "hello" or "how can I help you". You will note in

each Beachcomber contact information for your HBPOA Board of Directors. These folks are always willing to help with your questions.

We can't write about Mach without a few calendar notes.

March 6th - Did you know that this is National Oreo Day?

March 12th - Daylight Savings Time begins - We all enjoy more daylight..

March 13th - National Napping Day - Who knew?

March 17th - St. Patrick's Day - Bring on the Green

March 20th - Spring Begins - Even Floridians look forward to Spring flowers.

Until April.....

## **NEW CRIME WATCH MEMBER**

Congratulations to HBPOA VP Joan Puls on her first drive with the Hernando Beach Crime Watch. Cal Holland provided instruction.

If you are interested in volunteering or want more information, please visit:
