Social Entrepreneurship for ARTS

EU Erasmus+ Project

Arts for Social Change

Funded by the European Union

European Cooperation Partnership in Vocational Education and Training

The "Social Entrepreneurship for Arts" project aims at strengthen the capacity of senior students, graduates and young professional artists to develop and sustain social entrepreneurship, mobilizing arts to create social change for a better Europe for all.

The core objective of "Social Entrepreneurship for Arts" project is the development and implementation of an innovative digital creative training program that empowers participants with professional knowledge and skills on marketing, management and networking, in order to be able to successfully plan, establish, run and sustain successful social enterprises for the benefit of the communities in Europe.

Empowering European young artists to lead social change.

Learn. Share. Network for Growth.

Participate in our trainings. Discover innovative pilot tools and creative practical models to foster networking and collaboration between the world of arts and the world of social enterprise.

Free open access to professional training

Benefit from a well-mentored training model that fills the gaps in your social entrepreneurial knowledge and skills, puts you in contact with fellow artists and new social entrepreneurs, as well as with established professionals and experts from all over Europe.
Find new partners for your project ideas.

DREAM IT. BELIEVE IT. BUILD IT.
