

# Journeys Occupational Therapy LLC Community Skills Group

**2:30-4:00 MONDAYS**

**Six Sessions: Jun 17, 24, July 1, 8, 15, and 22.**

**Cost: \$300 for 6 sessions; additional funds for trips will be required.**

**Target Ages: 10-13, or based on therapist recommendation as a good fit for this group.**

Focus on building social skills and skills navigating and functioning in community environments like grocery stores, restaurants, parks, and more. Will include planning and money skills at your child's individual skill level. Two Occupational Therapists will be available to support this group. Children may be transported in therapists' private cars, or parents will drop off/pick up their children to and from the designated community site. If parents opt to provide transportation, the expectation is that you will remain nearby or onsite for timely pick-up, as delayed on-site pick-ups are not possible.
