4-H is for YOU !
4-H is for FUN !
 Students in 4th to 12th grades

Registration forms are due by October 12th

4-H offers many opportunities for members to participate in various activities throughout the school year. The most important aspect is that members are required to complete a 4-H project book to be turned into our parish for each office. This project book must be done in order to attend achievement day. This is not hard to do, but it does require a little effort. In March we will attend achievement day at Walker High School.

Your child's \$20 yearly dues have to be paid in order to participate/join the club. Fees will be paid online through SchoolCash Online. You will receive an e-mail from School Cash Online to pay the fees once your child's registration has been returned. The dues include our district and state dues, which cover your project books, as well as the cost of a t-shirt. Our first meeting will be at the end of September. An official 4-H enrollment form must be completed online. Once you pay your dues, we will give you access to the online enrollment form.

Our 4-H club at Maurepas School is open to all 4th through 12th grade students who would like to join. 4-H club is a club in which members work together to better their club, their community, and their world around them. Because it is a club, it is important that each member work hard to meet the commitments of the club. If each member does their part, the club will be strong, and our community will be better.

MOTIVATIONAL MONDAY

We invite students to show their motivation every Monday by wearing our new Motivational Monday shirt. You can order your shirt online or at the school front desk. Our first Motivational Monday is on September 7.

LEAP IS COMING

LEAP test will take place between April 16th and May 17th 2024. This concerns ALL students in grades 3 to 11.

SPIRIT DAY

On the last Friday of the month, student can show their school spirit by wearing ANY Maurepas school shirt with appropriate blue jeans.

SENIORS

Seniors graduation orders and \$100.00 deposit are due October 4.

Please send proof of purchase from Community Coffee to the school library.

DISSECTING PIG HEARTS

Mrs. Thomas' fourth grade ELA classes finished up their study of The Circulatory Story by dissecting pig hearts and locating the parts described in our book.
