

OAHS Spartans

Dear Parents,

OAHS Athletic Booster Club is having its 11th Annual Dinner & Auction on November 10th, 2018. All funds raised go to our school's sports program.

We ask that all teams participate by selling/buying tickets and donating items for the silent and live auctions. We need at least one representative from each team to be a part of the committee and attend planning meetings which start August 28th at 6pm and occur every other Monday until the event. The proceeds* from the donations your team submits go directly back to that team. If your child plays more than one sport you will need to acquire donations for each of those teams OR designate which team your donation is to help. Ideas are gift cards, gift certificates for services, gift baskets, etc. Live auction items would be on a bigger scale (i.e. getaway package, sporting event, etc). *There will be a minimal 3% deduction to offset the bank fees that are incurred.

If you have any questions or are willing to help in any capacity, please contact a board member.

Thank you for supporting OAHS Athletics!
