

Hi Friends,

My name is Xochitl or Iliana and I'm a coach at Jump! South. I just moved back to Austin in January of 2021 and I'm a senior at UT Austin. I'm majoring in Human Development and Family Sciences with a concentration in early childhood. I'm an active crocheter and I'm on the powerlifting team here at UT! I'm the oldest of 3 so I have tons of experience babysitting and I've also had experience working with 5-6 year olds in a more formal setting. I'm so excited to be working with kids that vary in age and I look forward to getting to know y'all!
