### House and Senate Leaders Announce Federal Abortion Bill Bans

*By: Catholic News Service, September 13, 2022*

Republican congressional leaders announced proposed legislation Sept. 13 to place a federal ban on abortions after 15 weeks of pregnancy.

The identical bill presented to the House and Senate is called: "Protecting Pain-Capable Unborn Children from Late-Term Abortions Act." It would leave in place state laws with stricter abortion restrictions.

Carol Tobias, president of National Right to Life, praised Sen. Graham and Smith for "their untiring efforts and dedication on behalf of unborn children and their mothers," adding that the legislation would "prevent cruel and painful abortions from being performed on innocent children."

"In contrast," she said, "pro-abortion Democrats are pushing for *unlimited abortion for any reason* throughout pregnancy and using tax dollars to pay for abortion."

The bill, which is unlikely to advance with congressional Democrats and has already been criticized by leading Democrats, is a shift from what some Republican congressional leaders were saying this summer about most likely not introducing a national abortion ban.

The White House has described the proposed bill as "wildly out of step with what Americans believe." (?)

Love doesn't mean you will always see eye to eye, or never have an argument.

It means despite the bad days you still can't see yourself ever being without that person.

## WHERE'S THE KIDS?

**Really, where are the kids?** Last week during our pre-mass announcements, we were informed that Saint Paul's CCD program has 40 children enrolled in their classes. Wonderful news indeed, BUT...where are these kids on Sunday? It's such a mystery that it has left many of us completely confused, and even more concerned as to why these kids don't show up for Mass. At best we see fewer than ten kids attending Mass every Sunday, not including infants, toddlers, older kids or kids of visiting families.

Could it be the new parish policy that removes the former requirement of having CCD students obtain the signature from our parish priests to verify their attendance at Mass...maybe? Or, are **some** parents merely playing hooky and avoiding fulfilling their obligation to their children to fully teach them the doctrine of God, and the duty required of them? God only knows. Please do not deprive your children of God, Jesus and the Holy Spirit, bring your kids to Mass!

★ I stopped by a roadside stand the other day. The sign said, LOBSTER TAILS \$2! So, I pulled over, went up to the counter, laid my \$2 down and ordered me one. The Lady said, "Once upon a time there was a lobster..." ☺

★ MARRIAGE TIP #2: Men, when your wife is mowing the lawn, it's absolutely the wrong time to ask her what's for dinner! ☺
