POLICY ON COMMERCIAL SUPPORT

Presentations must avoid commercialism. Presentations that constitute promotion and advertising will not be accepted. If the cost of a presentation has been underwritten to any extent, a clear acknowledgement stating the support and identifying the source should be included in the abstract (e.g., “The support of [corporation or institution] for this project is gratefully acknowledged.”). Statements made in presentations are the sole responsibility of the author or presenter. Statements should not be viewed as or considered representative of any formal stance or position taken on any subject, issue, or product by the CPRC 2017 Planning Committee.

SELECTION CRITERIA

Submissions will be reviewed and rated by members of the Planning Committee who have expertise in the clinical area to which the submission belongs. Each submission will be reviewed for its scientific or clinical importance, ethical practice, and study design.

Presenters will be required to complete a presenter information form and faculty disclosure form.

Primary presenters will be notified by e-mail of the proposal’s acceptance or rejection by **March 15th, 2017**.

MEETING REGISTRATION GUIDELINES FOR PRESENTERS

Poster presenters must register for the meeting and pay the applicable registration fee, as the Third Annual Cancer Pain Research Consortium Conference will not waive the registration fee. Presenters are also responsible for all personal expenses (e.g., travel, hotel). You should bring enough handouts to insure availability to all attendees.
