

Balcony Point is a 9,500-square-foot hospitality and conference center that offers a unique setting for corporate events, weddings and special occasions, such as birthday parties, anniversary celebrations, graduations and more.

Balcony Point overlooks a duck pond and the scenic country landscape of Springdale Farm, which is part of Northampton Park in Ogden, N.Y. Springdale Farm is a 200-acre public demonstration farm that welcomes thousands of visitors each year. The farm's building at Balcony Point also serves as a day program site for [Heritage Christian Services](#), which assists children and people with disabilities.

Your patronage of Balcony Point strengthens programs at Springdale Farm and promotes meaningful living and working opportunities for people served by Heritage Christian Services.
