

PE/Health/ Driver's Ed Teachers Networking Meeting

Friday, April 12 9:00-2:30 \$50

Location: TBD*

Join your colleagues for a day of networking!

You'll share resources, ideas, strategies, student samples and much more as we discuss the successes and challenges you face teaching the curriculum in your subject area. We begin each meeting by building the agenda with topics you wish to discuss. Bring your device and any questions you have for the group. We have asked a few of our area teachers to present some activities that have been successful in their classrooms so be ready for some hands-on fun. Lunch is provided and we look forward to an exciting day together.

*This spring meeting may be held off-site. As the date gets closer, more information about the location will be available.
