www.noreenschat.com

What an adorable way to gift a little pack of tic tacs...or snowman kisses!

4 5/8 x 3 Cardstock (score @ 2" & 2 5/8")
4 5/8 x 2 7/8 Patterned (score @ 2" & 2 5/8")
15" Ribbon
2 3/4 x 1 3/4 White (stamp snowman)
1 pkg Tic Tacs

Interior Sentiment:
He's cute, cuddly,
& full of good wishes.
He wants to give you
these snowman kisses!

Adhere the 15" ribbon centered across the top of the Cardstock, going no lower than 1 1/4" from the top, then glue the patterned paper to the Cardstock (sandwiching the ribbon in between). By placing the ribbon in the top portion, you'll have room to cut the circle out of the bottom portion without the ribbon getting in the way.

Adhere the White snowman stamped cardstock to the ribboned piece. Cut a 1" circle from the Snowman to "expose" his belly.

Use liquid glass or glue dots to secure the Tic Tacs to the inside of the "card" being sure to line up the "snowman kisses" with the Snowmans belly.
