### **Grade 6-8 Math Summer Homework**

**2017**

**\*\*If you are enrolling into a Math summer course through FLVS you are not required to complete the math summer homework. \*\*\***

Dear Parents and Students,

This summer we are using Khan Academy for our Math summer homework. Students will be exploring and learning skills that will help them become more successful in their math course for the upcoming school year.

How to join your teachers' Khan Academy class:

1. Sign up at [khanacademy.org](http://khanacademy.org) (or log in if you already have an account).
2. Visit [khanacademy.org/coaches](http://khanacademy.org/coaches) (the "Coaches" tab in your profile).
3. In the "Add a Coach" field, enter the class code.
4. You're set. Now click Home to start learning.

Class Codes:

6<sup>th</sup> GRADE: TM4K6V

7<sup>TH</sup> GRADE (CLAPPER): QK8TWH

7th GRADE (EZENWA): 88W82X

8th GRADE/PRE-ALG: M8CP9T

ALGEBRA: AFXJRJ

GEOMETRY: J629YZ

Students will need to complete 45 minutes a week or 15 minutes a day for three days a week, however they would like to do it.

Students will just need to make sure to use the correct class code, based on what class they will be entering into next year.

If you have any questions, please do not hesitate to reach out to your child's teacher for the 2017-2018 school year.
