Paint a picture of your ideal work situation

#5

What kinds of things must you do after you get your education in order to reach this goal? How will you land this job?

#4

What education must you get in order to reach the top of the mountain?

#3

What will next year look like for you so that you can reach the next level in the mountain?

#2

What things are you doing now or *should you start doing* to begin to climb this mountain?
