

National Federation of Republican Women

Membership Awards 2022-2023

The NFRW Membership Committee is excited to announce the 2022-2023 Membership Awards. Membership is the lifeblood of our organization, and these awards will recognize the incredible accomplishments of our clubs and states across the country!

The 2022-2023 Membership Award winners will be recognized at the 42nd NFRW Biennial Convention, September 28 – October 1 in Oklahoma City, Oklahoma. The club and state awards will be based on 2023 membership increases from January 1, 2023 through June 30, 2023, as compared to the 2022 end of year membership numbers.

No Additional Forms or Paperwork are Required from You!

All data will be compiled by the NFRW Membership Committee utilizing the NFRW Membership Database. Only full memberships (not associate memberships) will be included. The awards will be based off the June 30, 2023 Membership Numbers. June 30, 2023, is also the convention membership deadline to calculate delegate representation for the biennial convention.

Club Membership Awards:
