APRIL
2017

My Fellow Members,

WOW! Another Elk year in the books for Poughkeepsie Lodge #275. As we look out the window, the snow is melting and the warmer weather is inching its way in. Soon the green will fill the trees, the grass will usher in plush carpets that surround our homes and the snow birds which headed south in the Fall will start to return. Personally, I can't wait....

As I take the helm of our Lodge for the 3rd consecutive year, we continue to make strides in reviving our business. This could not have been done without the help and perseverance of so many of our committed and dedicated Members. And from that, I say, "Thank You All, Excellent Job and I look forward to working with each of you over the next year."

So, where do we go from here? I'm actually glad you asked that question. As far as our business, Room Rentals and Catering bookings have been "Off the Hook" and continue to gain momentum. Tom Conger has been our primary booking contact and he has been doing an outstanding job. Therefore, if you are planning a wedding, or any other type of party, give Tom a call or leave a message at the Lodge. I guarantee you, you will not be disappointed. We also will continue to focus on strengthening our Business Controls for both the House and the Lodge under the watchful eyes of our Treasurer Dave Carroll and the House and Lodge Audit Committees. Finally, the Board of Directors will be focusing on reducing and streamlining our expenses. The result of all this is increased profitability. This is the business side of our Lodge.

As for the Elk side of the Lodge, this is the time of year where we fill our many committees with dedicated and caring Members just like yourself. Many hands make light work, so whatever may interest you, please either give me a call or send me an email. Giving back is what the Elks are all about.

We had a couple of events this past month worth noting. First, we had one of our Member's granddaughter diagnosed with a very aggressive form of brain cancer. Christina Nolan came up with an idea to help the family in need, a "Paint Party" with a Purpose. Personally, I've never heard of a Paint Party, but it was sold out with over 70 people, and I can tell you after seeing it, what a great idea. Excellent Job Christina and her Team in raising over \$4300 to help little Aurora Rose and her family with some of the many bills. Members, this is what the Elks are truly about. Secondly, Norm and his Team helped sell over 80 tickets to the District's Cerebral Palsy Fundraiser. Not only did the District raise \$15,000 which went to support our State's Major Project, our Lodge was credited with over \$4,000 which went to support our \$8.00 per Member goal. Excellent Job Norm and Team...

I also want to talk a little about Membership. Currently, we have been holding Initiation just about every month. The interest in our programs and our Lodge has been really gaining around our community. I want to personally Thank all of our Members for taking the time to introduce their family and friends to our great Order, the Benevolent and Protective Order of Elks. Keep it up! I also want to Thank our Members for quickly returning their dues for the current year. At last I checked, we were closing in on approximately 70% with returned dues. So, please get them in. If you are on a fixed income and are struggling with the cost, please let me know. We have donated funds set aside to help those in need. Especially, one of our own.
