All entries close Friday, July 26, 2019

4-H, Youth and Vocational Agriculture entries may enter the same animal in one youth show, plus the open show.

Complete the fields in the grid below. If entering livestock, the ID number must be calculated as follows:

ADD the Breed number (found at the top of the corresponding Section) to the ID number for the Section.

For example, if the Breed number in horses in Arabian (200) and Class Description is Stallion Foal (ID 4), you would add 200 + 4, therefore the ID number would be 204.

If no breed is listed, use the ID number only.

I attest and affirm that a veterinary-client-patient relationship exists in regard to any animals that I am exhibiting.
