

VETERAN'S MEMORIAL CHAPEL

GRANITE PAVERS

Our local Veterans' Organizations and the city of Fostoria are working together to build and maintain Veterans' Memorial Chapel in our Fountain Cemetery.

It is available for the general public's use, regardless if the burial is at Fountain Cemetery or St. Wendelin Cemetery, and you do not need to be a veteran.

The Granite Pavers is the main fundraiser and anyone can participate. Granite Pavers can be purchased as a tribute to friends or family members, living or deceased, as a way to show that you and your family support the Veterans' Memorial Chapel.

The Pavers will be part of the Memorial Plaza, which is the entry point to the chapel.

Engraved Granite Pavers are available in the following two sizes (please mark your choice):

4" x 12" with 3 lines of engraving (20 spaces per line) for \$60.00

8" x 12" with 4 lines of engraving (20 spaces per line) for \$100.00
