

Hampton Highlights

Message from Township Administrator Eileen Klose

Check out our website for updated information:

www.hamptontownshipnj.org

Dear Residents:

As we begin a new year, my hope is that we all find peace in our lives and in the lives of our neighbors and friends. This will be my last letter to you, as I will be retiring in April of this year.

During my tenure at the township, I have seen many changes. A few examples include: our own Fire and Rescue Department, a new playground in the recreation park “Kids Kingdom,” renovation of the old municipal building, which is now the Daniel Coranoto Community and Senior Center and is booked weekly for various township based non-profit organizations, “Mike Biron’s Field of Dreams” lights in the ball field, a walking path that is frequented by residents both within and outside of our community, and the permanent preservation of over 4,235 acres of open space and 1,512 acres of farmland. Many of these benefits have been accomplished without using any township funds, and were possible through the support and hard work of our Township Committee and the staff at Hampton Township. They are always looking for ways to improve the community without it being an undue burden on the taxpayers. I have been very fortunate to work for such dedicated individuals who always amaze me. They have a common goal, and that is to serve the public in the most professional manner and to work together as a team to get the job done. You, the residents, have also

played a huge role in these achievements through your volunteerism and interest in maintaining the place that we call home.

I have watched the Township Committee over the years take into consideration every aspect of the growth and future development of our municipality, and because of their continuing leadership, I have great confidence in our future. The Township Master Plan has been challenged many times by those who seek to make changes that could alter the direction of our rural, commercial, residential, and recreational opportunities, but through hard work and diligence by our elected officials, they have maintained its integrity. I trust that this plan will continue to influence the beneficial growth of our community for many years to come.

My successor will be Jessica Caruso, who has served as our Chief Finance Officer over the past fifteen years, and will now take on the additional role of Township Administrator. She is dedicated, competent, and has an impeccable work ethic that will support the will of the Township Committee as they continue to plan for our future.

In closing, I want to thank the Township Committee, the staff, and all of you for the honor and privilege to serve as your Administrator over the past 29 years.

Sincerely,

MUNICIPAL DIRECTORY

<u>OPEN SPACE COMMITTEE</u>	When the Board determines necessary.

DOG LICENSE RENEWALS

All dogs over seven months of age **MUST BE LICENSED**. In order for a license to be issued, the State of New Jersey requires that the animal is vaccinated against rabies. The rabies certificate must not expire prior to November 1st of the licensing year, if it does the animal will have to be revaccinated. If for some reason your vet doesn't want to revaccinate your dog prior to its expiration date, then please have your vet write a note stating why the pet cannot be vaccinated and then a license can be issued. Dog licenses may be obtained at the Hampton Township Municipal Building between the hours of 9:00 A.M. and 4:00 P.M., Monday through Friday or may be mailed to Hampton Township Municipal, 1 Rumsey Way, Newton, NJ 07860. They may also be placed in the brown lock box located next to the Municipal Office front doors, after hours. Any questions please call the Municipal Office at 973-383-5570. **Please provide proof of rabies vaccination, certification of spaying/neutering** (where applicable) and a fee of \$11.00 for a spayed/neutered dog and \$14.00 if the dog is not. If applying by mail please include a copy of a valid rabies certificate. **IMPORTANT NOTE:** A 2018 license will **not** be issued if the current rabies vaccination expires **BEFORE NOVEMBER 1, 2018**. A late fee of **\$5.00** is assessed for each delinquent month for each dog license issued after February 10th of the calendar year for which the license is required effective January 1, 2012. Please view the chart on the Hampton Township website for late fee amount prior to sending in.

HAMPTON TOWNSHIP FREE RABIES CLINIC

The Hampton Township Free Rabies Clinic will be held on Saturday, November 3rd, 2018 between 9:00 A.M. and 11:00 A.M. at the Hampton Township Public Works Building for both dogs and cats. Other free County wide rabies clinic dates available at www.sussex.nj.us, search rabies clinics.

CATS

At the present time cat licensing is not a requirement in Hampton Township. Stray cats are a major expense to the township & a nuisance to homeowners. Please do not feed or pick up a stray cat unless you are willing to take ownership of the animal as your pet & your responsibility.

HAMPTON DPW SPONSORED EVENTS

WASTE MANAGEMENT OBSERVES THE FOLLOWING HOLIDAYS

NEW YEAR'S DAY
MEMORIAL DAY
JULY 4TH
LABOR DAY
THANKSGIVING
CHRISTMAS

Pick-up will be the following
day even if the Holiday falls
on a Friday

Waste Management Will Not Pick Up the Following Bulk Items

1. Automobile Parts
2. Building Materials
3. Fuel Storage Containers
4. Televisions/Computers
5. Brush

****DO NOT** leave garbage outside
during the week. Put garbage cans out
on garbage day only.

Just as a reminder...

The current contract with Waste Management states that garbage can be picked up as early at 6 A.M. Please have your garbage out by at least 6 A.M. on garbage day in order to be assured your garbage will be picked up. Residents cannot expect a consistent timeframe for garbage and recycling pick up. **If it's out by 6 A.M. it will be picked up.**

*Bulk pick-up is for Hampton Township Residents **Only**. Do not allow other individuals to bring their bulk garbage to your residence. This is considered illegal dumping & is a punishable offense.

Disposal Ban of Electronic Devices

Effective January 1, 2011, Waste Management is prohibited from picking up Televisions, Computers, Monitors & Portable Laptop Computers. SCMUA will hold four Electronic Waste Disposal Days. For more information please go to www.scmua.org

Search mosquito control

Department of Environmental Protection Urges Safe & Less Polluting Burning of Wood in Cold Weather

The DEP is reminding NJ residents to take steps to reduce their impact on air quality when burning wood for heat as the weather turns colder, whether in fireplaces, wood stoves or outdoor wood boilers. The DEP recommends following these simple guidelines, including having a properly maintained woodstove or fireplace, to minimize your impact on the environment & your neighbors, while protecting your home & safety:

- Allow wood to season before burning it. Seasoning entails allowing the wood to sit outdoors for at least 6 months. Seasoned wood is darker, has cracks in the end grain & sounds hollow when smacked against another piece of wood.
- Use a wood moisture meter to test the moisture content of wood. Wood burns more efficiently when its moisture content is below 20%.
- Stack wood neatly off the ground with the top covered to protect it against rain & snow.
- Keep fires burning hot.
- Regularly remove ashes to ensure proper airflow.
- Never burn garbage, cardboard, plastics, wrapping materials, painted materials or other materials in your stove or fireplace.
- Keep anything flammable- including drapes, furniture, newspapers & books far away from any wood-burning appliance. Keep an accessible & recently inspected fire extinguisher nearby.

Clean Communities, Litter and You!
Clean Communities is a statewide litter abatement program established by the Clean Communities Act of 1986. Litter is a destructive force on our landscape; it is costly to clean up; impacts our quality of life and eventually ends up in our waterways. Why not become part of the solution and earn money for your non-profit civic, athletic, scout or youth group? Organize a road cleanup and receive a "mini-grant" based on number of participants, amount of trash and recyclables collected and distance of road cleaned. Hampton Township provides log sheets for collection statistics, gloves, safety vests, grabbers and trash bags. For more details call Betsy Pinzone, Clean Communities Coordinator 973-383-1041.
