Framed by aspen groves, wildflower meadows, and the 14,000-foot peaks of the Rockies, Snowmass is an outdoor lover's delight, with more than 300 days of sunshine and those famed Colorado bluebird skies. And with every guestroom and suite of this Snowmass hotel just steps from the slopes, you'll experience the convenience of a ski resort in the atmosphere of a boutique hotel.

The Artisan Restaurant is one of Snowmass Village's premier dining experiences.

Executive Chef Steve Sterritt showcases a seasonal menu at The Artisan Restaurant, on the lobby level of The Stonebridge Inn.
