

## POOL SERVICE

**We'll handle the  
MAINTENANCE  
so you can  
focus on the Fun!**

When it's time to relax after a long week, there's nothing quite like having your own swimming pool. But the cleaning and maintenance required to keep your pool in top shape can take a big chunk from the time you have to enjoy it!

Doc's Pool Service designs a maintenance program just for you. We offer customized, professional service to keep your pool spotless and ensure you never have to worry about pool maintenance again.

A family owned and operated business located in Seminole. We uphold old-fashioned business values - we answer the phone when you call, we always show up on time, and we never overbook our appointments.
