MADE IN OUR PROCESSING PLANT IN THE NORTH GEORGIA MOUNTAINS

While growing up in the rural areas of Georgia, farming and canning became a way of life for Robert and Patsy Mitcham Sr. During High school, Robert was active in agriculture and Future Farmers of America. He helped run a canning plant at his school and later became an agriculture teacher and ran the local canning plant for Rabun County.

A bumper crop of cucumbers is all it took to start a canning plant and a way of life for the Mitchams. A small jelly kitchen was built in the backyard of the Mitcham's North Georgia home in 1983. It all began with 10 products including; strawberry jam, apple butter and the bread and butter pickles made from that crop of cucumbers. From that small jelly kitchen Hillside Orchard Farms has grown into a major company producing over 600 products that ship all over the United States, The Bahamas, Bermuda, The Caymen Islands, and Canada.

Three generations of the Mitcham family now run the operations of Hillside Orchard Farms. We specialize in private labeling of product, contract packaging, value added packaging and all of our products are available for wholesale. Hillside has expanded to include a retail country store where you can buy our products and spend a day at the farm, or visit our mail order store on the web. We also offer Wedding Favors and Corporate Gifts with your name on them.

We currently own our own fleet of trucks and run delivery routes in the Southeast. We reach the rest of the country via outlets such as UPS, Fed Ex and common carriers. In the past year, we have added a honey operation, Store Bakery, and are working on a Distillery.

A lot has changed over the years but we still hold on to the values and quality that got us started. We now run a fully modern, fully licensed, FDA and The Georgia Department of Agriculture regulated plant. But, with one taste, you will agree that the homemade goodness is still there. We know your customers will be happy with our products and will return for more again and again. Whether it has your name on it, or ours, the quality is guaranteed.
