****Entries are limited to 2x per division. ****

*****Divisions are ENTER WITH A PARTNER*****

****Directors PLEASE remember the MRA puts on the State Finals, there for it is your responsibility to help with the finals****

PLEASE NOTE:

State finals eligibility rules have changed since last year. The current rules are as follows:

G. State Finals:

1. State Finals positions will be awarded as follows:
 - a. There will be one (1) State Finals position awarded for every 50 teams entered per division (1 to 50 = 1 SF position, 51-100 = 2 SF positions, etc.)
 - b. Each member who is in the top 15 in the year end standings will receive one (1) State Finals position in that division.
 - c. If a member in the top 15 standings does not enter the State Finals by the close of entries, these positions will be filled by qualified members (members that have competed in 4 MRA ropings for the current year) starting with position 16 and going down the standings until 15 positions are filled for the finals.
 - i. Any member with a State Finals Position awarded that cannot find a partner through the office may select a qualified member (members that have competed in 4 MRA ropings for the current year) to rope with from outside the top 15 standings in that division.
2. No roper may use more than two (2) State Finals positions in any one division. Once a roper has earned two (2) State Finals positions in a division, he/she may continue to compete in the division, but will only be competing for cash and prizes.
3. A roper who enters an M.R.A. Approved jackpot, other than State Finals, with a partner who has already won two (2) State Finals positions in the division is still eligible to win a State Finals position.
4. A roper may choose to move a State Finals position up to a higher division than the position was awarded in. In no event will a State Finals position be allowed to be moved to a lower division.
5. To obtain a State Finals position at any jackpot there must be two (2) or more teams entered.
6. A member must compete in at least four (4) M.R.A. Approved jackpots in the current year to be eligible for State Finals.
7. The Board of Directors will determine the specific format of the State Finals Roping
