Letter from the Presidents

And just like that, spring break is done. For those who had their cadets at home, we hope you enjoyed the visit. We probably drove past many of you at DIA on Sunday morning. For the rest of you - hoping your cadets got to do something fun - seems like there were photos of cadets traveling all over the world on Facebook.

As the Class of 2017 has the end in sight, we are just receiving club applications for parents of the Class of 2021. We have not yet received an official list of 2021s from West Point, so if you know of parents/cadet candidates please forward this email to them so they can contact us. Here is the updated [application](#) for WPPCCO.

We are thrilled to report that Matt Wentz has agreed to serve as Club President next year. He currently has two cadets at West Point - a 2019 and 2020. Matt would love to have help so please contact us if you are able to assist next year at wppccolorado@gmail.com. Thanks to Matt for stepping up to help our club and our kids.

Lastly, we are looking for a location in Denver-metro for the send-off for the cadet candidates in June. Please let us know if have an available location.

See below for information about upcoming events.

Founder's Day Dinner - Denver

It was a pleasure to meet with some of the 2021 Cadet Candidates
who heard from

Brigadier General Diana Holland about West Point.

We were able to share much about their upcoming West Point experience.
Many thanks to the Vosburghs and Navarro-Arvins for helping us talk to parents
and cadet candidates about the WP experience.

A great evening was had by all!

Mother's Tea

Special thanks to Cindy Silvis for hosting the Mother's Tea for the second year -
she created a beautiful event for us moms last year!

For those of you that ordered name tags this past fall (or farther back),
Michelle will be bringing them to the event. Hope to see you there!
