Quotes:

“She wants to make a positive impact on her community with her degree and given the opportunity she will do just that.” **Denise Martel** - RN MSN

“This is the second year I have received an Anchor Scholarship, and this scholarship allows me to study and focus on my classes without putting as much financial pressure on myself and my family. It gives me the opportunity to pursue a higher education so that I can be successful in my future career. Thank you so much!”
