

MARTIAN LINES OF MALTESE KNIGHTS

The purpose of this illustration is to present the evidence that the geometric ley-lines of the following site layout is set to the *Cydonia, Mars* ley-lines. Pertaining to the *Cydonia, Mars* anomalies, there are 3 main pyramid structures that comprise the *Martian Motif*. These 3 structures triangulate each other and would make up the core of a large metropolitan city on Earth. The main core of the site is fashioned in the human form with the 'head' as a 'tetrahedron'. In the case of the home of the Knights of Malta, this study suggests that this Roman Catholic 'Special Forces' that protects the interests of the Vatican since the Crusades has incorporated sacred geometry to their den. The Order was established in Jerusalem but with the ousting by the Muslims, they relocated to Malta where they made their Headquarters in the Fortress of the Holy Angels. In the 11th century, the Roman Pope officially recognized the Order as a Roman Catholic Knighthood to stem the tide of Protestantism and in modern times, Evangelical Christianity. On the outset like all Secret Societies, the outwardly works seem innocent and noble as the 'Porch Initiates' fill that role. However as one progresses into the 'Holy of Holies' of the 'Pure Doctrine of Lucifer', the real case is revealed and initiated.

Their ultimate aim is to en throne their 'Holy Angel', Lucifer whom is their 'Grand Master' per the Morals and Dogma of Albert Pike. Interestingly, the Knights of Malta are said to 'answer to the Roman Catholic Pope', however the Order of St. John's leader is the Monarch of England, that is currently Queen Elizabeth II, the supposed 'Defender of the Faith' that is Protestantism. By her initiation in the Order, she is subservient to the Pope in this regard.
