SAGSO

25 March 1960

SUBJECT: Annual Flying Hours

TO: Hq Western Sea Frontier (3021)  
Treasure Island, Building 1  
San Francisco, California

1. In accordance with Chapter 8, paragraph 17, AFM 35-9, dated 1 Sep 56, request annual flying hours on NAME: LESTER G. TAYLOR JR  
RANK: 1ST COLONEL AFSN: 98021 ORGN: 1137th USAF Special Activities Squadron, Ft. Myer, Virginia as listed in item 17 of subject officers AF Form 11, be brought up-to-date. List of current aircraft as pertains to this item is contained in Headquarters USAF directive, "Implementation of the Air Force Policy on Rotation of Rated Personnel". The "As of" date will be the date of the certificate and will be entered under "Date". Under "Annual Flying Hours", enter the number of hours the officer has logged during the past year or since the date of the last certificate, broken down to show current aircraft and noncurrent aircraft. Under these columns, enter the jet, conventional, and miscellaneous time accrued during the year. Undergraduate student time, civilian time, and time in aircraft with the prefix "HL" along with time in other aircraft of this type will be entered under "Miscellaneous". If the officer possesses a dual rating, observer time will be entered under "Other", however, if the officer has only a "Non-Pilot" rating, the time will be broken down as indicated above. Time accrued under ratings and designations such as flight surgeon, aviation medical examiner, etc., will be entered under "Other".

a. The total flying time of the officer will be entered without regard to current or noncurrent aircraft. This time will be broken down to show multijet, single jet, multi-conventional, single conventional, miscellaneous, and other. Entries will be made as outlined above and will include all time shown under annual flying hours.

b. Listed below, on the first line, is the last entry shown in item 17, AF Form 11. Request up-to-date entry be placed on the second line.
