### Welcome to the Lakeshore Family

We schedule our Hip Hop students to have a technical class added to their repertoire. We are adding a Ballet or a modern or both. We are going to let the dress code for ballet, for the summer, for hip hop students be yoga pants or black jazz pants, jazz shoes or ballet slippers. Through the tryout process many of the dancers made HH Co and the regular dance co. Let us know your preference. There are some dancers on Platinum HH co. that would enroll in the Ballet 1-2 because of your level in technique, we will email you personally and we will have the list of dancers in the office. We had such a wonderful turnout for our auditions that we are placing many students based on experience and potential. We will be re-evaluating all company members by the 17th of August to let all know the company they will be on for the fall season.

ATTIRE: Girls Ballet, pink tights, pink ballet slippers, black leotard. Hair in bun Boys Ballet, White t-shirt / black pants, black ballet slippers  
 Jazz : All black attire. Hip Hop: Comfortable clothes, indoor shoes. Proper dance attire and proper shoes must be worn for all classes.
